Shapo,2012-10-22 A proliferation of lawsuits involving sport utility vehicles defective tires medical devices and drugs and asbestos abounds Public attention to products liability cases is at an all time high and awards routinely run into the millions of dollars When developing a strategy in this high

stakes world attorneys can't afford to have anything other than the best information and insight into this evolving area of law. Lawyers need practical tools to assess a products liability case's potential and build their approach and Shapo on the Law of Products Liability provides the tools to give you the winning edge. Through a holistic analysis of the law and its principal developments as witnessed in hundreds of cases, this treatise gives litigators a wide variety of perspectives on potential strategies and the tools to support those strategies with persuasive arguments. This authoritative two-volume work will enable you to assess products liability case potential and build sound litigation strategies. Dig deep into products liability law to build creative approaches to litigation. Craft a winning case and reap the greatest reward for your clients. Find the tools and information to support strategies with persuasive arguments. Both federal and state courts contribute a rich mix of decisions to products liability law which covers both consumer products and occupational hazards. This indispensable resource for the products liability practitioner helps you prepare your case. Is the product defective? Who is liable? What is the manufacturer's responsibility? Who can be sued? What kind of awards may be realized? How might this be defended? Shapo on the Law of Products Liability also includes coverage of Asbestos litigation, Chinese drywall, Food and drug, Medical devices, Design/manufacturing defects claims, Punitive damages, Discovery rule, Up to date analysis and commentary, History and background on products liability law, Damages, Advertising material, Packaging, Marshall S. Shapo, the Frederic P. Vose Professor at Northwestern University School of Law, is a nationally recognized authority on torts and products liability law.

Dreams Not Forgotten Will Kalinke, 2011-03-07. Dreams Not Forgotten presents a loving portrait of a man named Bill who has overcome the obstacles that would stop many in their tracks. Author Will Kalinke shares the ups and downs that Bill has encountered in his forty-six years of life. Although his mother passed away when he was just five, he held onto the dreams for his future that she shared with him before she died. Those dreams helped sustain him through many challenging times of intense pain and anguish when others may have dissolved into anger and frustration. Bill serves as a model of courage, fortitude, and hope for a better tomorrow despite obstacles of today. An unexpected sequence of events brought Bill and Kalinke together to set the scene for this compelling story, a real-life mystery of survival. Bill stands as an inspiration because he has recognized the differences that make him unique and he has maintained his fortitude, patience, attitude of love, and appreciation for God. He has found the path to a happy and meaningful life that builds upon his positive attitude and clear vision of his own capabilities. He is one of those special people whose actions help to make miracles happen. Follow in his footsteps from unbelievable circumstances to miraculous results. **Consumers Index to Product Evaluations and Information Sources** Pierian Press, 1977.
