

Test Book Security Barcode

Each test booklet has a unique security barcode, located in the **upper right corner** of the back cover of the test booklet. Using this barcode, test booklets are assigned to specific districts/schools. This provides an accurate means of tracking secure test booklets that are shipped to and returned from the school.

For all questions regarding test booklet security see the DAC/BAC Manual.

Buddhist Sutras: Lesson Book Irv Jacob, 2012-12-11. Rational Buddhism for Beginners. This book is intended for beginning meditators and students and for use by instructors during Buddhist retreats for beginners. It contains thirty lessons that lead progressively through the ancient and basic tenets of Buddhism and include instructions in compassion, virtue, morality, history, and meditation. Instructors are free to copy the worksheets for student practice. The book is full of quotes with minimal commentary and includes scholarly references with a glossary and bibliography. This is a useful reference book that can also be used for do-it-yourself study and inspiration. The book has been used and refined from actual study group experience. The author is an experienced certified secondary teacher and incorporates best practices of lesson planning as a format for the text of each chapter. Since it derives from the needs and questions of new students, it is easy to access by and is relevant for beginners.
