MIDTERM #2 REVIEW QUESTIONS

To prepare for Midterm #2 study the lecture notes posted on OWL and the additional material covered in the lectures, work the questions covered in the tutorials, and work the homework and quiz questions and this review. Beware that the following review questions cover only a fraction of the material that will be tested on the exam (the questions do not cover the additional material covered in the lectures, do not cover the tutorial questions, and cover only a select set of questions from the homework), so do not focus your studying by working only this review (you will not do well on the exam). Answers are provided on the last page.

MULTIPLE CHOICE. Choose the one alternative that best completes the statement or answers the question.
