Wynne, 2015-09 This is a timely and affordable study guide for the PRAXIS 5001 teacher certification test Testing of new standards begins August 2015 This is the only product on the market that has EXPANDED aligned content and a full sample

test with answer explanations Many states but not all that formerly required 5031 have adopted test 5001 Changes include almost doubling the coverage of content The skills have expanded in ELA and math The test formerly had 210 questions and now has 235 questions The number of social science questions will be reduced by ten questions This product provides a highway to success quickly and efficiently gathering more content succinctly including each of the four subtests aligned expanded descriptive statements with their corresponding numerous and authoritative examples Since Praxis 5001 is an unusually long test it is in the candidate s best interest to augment this study guide with our additional suite of digital products which include interactive bundled tests that are comprised of questions from three tests that include time on question as well as time on test By contrast this product is not a broad review of subtests with generic videos or generic categories clustered under subtests because it defeats the purpose of PRAXIS specificity Our sample test questions are aligned to specific skills In conclusion this product is unique because of its specific content unpacked deliberately with standards aligned sample test questions and explanations Common Core standards have been added

Praxis II Social Studies Practice Questions: Praxis II Practice Tests and Exam Review for the Praxis II Subject Assessments Praxis II Exam Secrets Test Prep,2015-02-25 Praxis II Social Studies Practice Questions are the simplest way to prepare for your Praxis II test Practice is an essential part of preparing for a test and improving a test taker s chance of success The best way to practice taking a test is by going through lots of practice test questions If someone has never taken a practice test then they are unprepared for the types of questions and answer choices that they will encounter on the official test There is a tremendous advantage to someone taking the test that

is already familiar with the questions and answer choices Another advantage of taking practice tests is that you can assess your performance and see if you need to study and practice more or if you re already prepared enough to achieve success on your test day If you do well on the practice test then you know you re prepared If you struggle on the practice test then you know you may still have more work to do to get prepared Taking lots of practice tests helps ensure that you are not surprised or disappointed on your test day Our Praxis II Social Studies Practice Questions give you the opportunity to test your knowledge on a set of questions You can know everything that is going to be covered on the test and it will not do you any good on test day if you have not had a chance to practice Repetition is a key to success and using practice test questions allows you to reinforce your strengths and improve your weaknesses Detailed answer explanations are also included for each question It may sound obvious but you have to know which questions you missed and more importantly why you missed them to be able to avoid making the same mistakes again when you take the real test That s why our Praxis II Social Studies Practice Questions include answer keys with detailed answer explanations These in depth answer explanations will allow you to better understand any questions that were difficult for you or that you needed more help to understand
