Praying for Rain BB Easton, 2019-04-08 From the author of 44 Chapters About 4 Men inspiration for the Netflix Original series Sex Life comes an immersive dystopian romance unlike anything you've ever read Consider us hooked Addicted Dying for more A genius unique premise with complex intriguing characters this story took us on the ride of our lives and we CAN'T WAIT FOR MORE Max Monroe New York Times Bestselling Author None of this matters and we're all going to die With only three days left until the predicted apocalypse the small town of Franklin Springs Georgia has become a wasteland of abandoned cars abandoned homes abandoned businesses and abandoned people People like Rainbow Williams Rain isn't afraid of dying In fact she's looking forward to it If she can just outrun her pain until April 23 she'll never have to feel it at all Supplies Shelter

Self defense Wes Parker has survived every horrible thing this life has thrown at him with nothing more than his resourcefulness and disarming good looks Why should the end of the world be any different All he needs are some basic supplies shelter and a sucker willing to help him out which is exactly what he finds when he returns to his hometown of Franklin Springs As society crumbles dangers mount and secrets refuse to stay buried two lost souls are thrust together in a twist of fate one who will do anything to survive and one who can't wait to die Perhaps together they can learn how to live Before their time runs out *Ogier's Prayer* Tyler Tichelaar, 2015-12-09 **Prayer for the Dead** David Wiltse, 2016-09-26 An FBI agent quits retirement to hunt a methodical serial killer with a passion for human blood The man comes to slowly feeling caught in a spider's web His arms and legs are secured his mouth is taped shut and the drugs are keeping him docile When his captor returns the man does not even scream Roger Dyce removes the container of blood he has been draining from his prisoner brushes the man's hair and prepares to indulge in make believe Once his prisoner is dressed exactly like his dead grandfather Roger Dyce can eat Only the man's breathing spoils the effect but soon the breathing will stop Fifteen men have gone missing from this small Connecticut town and only John Becker can bring them justice An FBI agent who retired out of fear that he was too sympathetic towards criminals he will push himself to the brink to stop Dyce's sadistic game

My Mother's Secrets Iii Tina Trumble, 2020-03-09 Sara Goodwin thought her life had finally settled down That was until the knock on the door that shattered her convictions and shook her family to the core **The Shadow of His Wings** Gereon Goldmann, 2009-09-03 We had to do it We had to reprint this book Rarely has a book had such an impact on so many of us here at Ignatius Press It is one of the most powerful and moving books we have come across If you can only buy one book this season this must be the one Here is the astonishing true story of the harrowing experiences of a young German seminarian drafted into Hitler's dreaded SS at the onset of World War II Without betraying his Christian ideals against all odds and in the face of Evil Gereon Goldmann was able to complete his priestly training be ordained and secretly minister to German Catholic soldiers and innocent civilian victims caught up in the horrors of war How it all came to pass will astound you Father Goldmann tells of his own incredible experiences of the trials of war his many escapes from almost certain death and the diabolical persecution that he and his fellow Catholic soldiers encountered on account of their faith What emerges is an extraordinary witness to the workings of Divine Providence and the undying power of love prayer faith and sacrifice Illustrated *Roman and Julian* Karo Caran, 2014-05-18 Julian is a middle aged gay poet whose mother an artist has just died While grieving her death he sorts through his mother's paintings revisiting a bittersweet past his parents marriage overshadowed by memories of war and his own romantic affair with Roman his lover Set in post war communist Poland Julian's recollections of his relationship unfold in many ways like the immortal tale of Romeo and Juliet Just like Shakespeare's young lovers the two young men always meeting in secret hear the nightingales at night and the larks at dawn Unlike the storied lovers from high class Verona however Julian and Roman's love unravels in bleak surroundings a public park a grim

little apartment and a primeval forest As Julian journeys through the reality of his youth he challenges the tyrannical postwar censorship that surrounded and strangled both art and gay relationships His tale is a testimony to the strength of the human spirit to survive and even thrive in an oppressive political regime **Grace Unbound** Bishop Demetrios C.

Kantzavelos, Patra McSharry Sevastiades, 2025-05-20 The first step of any great journey can be the riskiest one of all It is 1992 and the nation is reeling from the AIDS pandemic When Fr Demetri a newly ordained Chicago born priest visits Bob a man dying from complications due to AIDS abandoned by his own parish priest out of fear his life takes an unexpected turn That single act of compassion sparks a deeper calling to social activism setting him on a path he never anticipated Yet nothing prepared the hard nosed priest for a face to face encounter with a convicted murderer years later Andrew who is scheduled to be executed in less than three weeks maintains his innocence regarding the grisly crime But when the governor of the state the inmate s last hope refuses to show mercy the priest must again face the true cost of his calling In this gripping true story of faith justice and redemption one priest s mission to save a single life becomes a fight to transform an entire system **The Veil** Cathy Kenny, 2009-02-23 My mother was born with an extra piece of skin on her face The doctor removed the extra piece of skin with a pair of scissors and placed the skin in a jar He told my grandmother that he had seen this before and called the extra piece of skin a veil He then told my grandmother Mom mom to sell this bottle with the extra piece of skin inside to a captain of a ship because the ship would not sink and she would be rewarded in 1930 with money Mom mom did not sell the bottle with the extra piece of skin instead she saved it for my mother and gave it to her when she was older I really believe that many people do not know the true significance of the veil yet I believe in it and its importance It is a mystery This was an indication of the life my mom would live as well as her true faith which she demonstrated on a daily basis She was and always will be one of a kind I am honored to be named after her and be her first daughter She is my hero and I am glad that I wrote this book in memory of her *To My Child, Hannah* Masako Watanabe, **Judging Judi** Judith M.L.
