Crowder, 2008-06 Patten bleeding and disoriented is deposited at the ER by police who saw him driving erratically and running stop signs. The sight of blood didn't bother him before but now he sees an ER patient cut across the face with a chainsaw bleeding profusely and he runs retching to the men's room. What's wrong? Why has the flight instructor at Gulf Shores Aviation started falling apart? Sure a death anniversary is approaching. Yet there were worsening problems before for the last few years. He seeks help. He begins to understand his troubling dreams. But then he is overwhelmed by a strong and alarming attraction to Carley a beautiful albeit unhappily married flight student with problems of her own that she entered flight training to solve that seriously challenges his withdrawal into the heretofore safe but empty and sterile fortress now collapsing around him. Will he? A can he? A will she? A can she? A find a time in the sun. FAA General Aviation News, 1988.
