Kalas, 2014-04-02 How do we preach when all of us hearers and preachers alike are constantly distracted J Ellsworth Kalas offers wise insights for effective preaching in an age of distraction He explores how God can meet people precisely at the point of their distraction connecting through pastoral attentiveness creativity and excellence Text Messages John Tucker, 2017-12-06 Facebook Twitter Snapchat We live in a rapidly changing world a world that seems to be increasingly inhospitable toward preaching In the face of digital technology social media cultural pluralism and pastoral burnout how can Christian preachers proclaim the gospel faithfully and effectively This book answers that question by bringing together a selection of important voices from across North America Asia and the Pacific It argues that Spirit empowered preaching is characterized by five attributes it opens the Scriptures engages the culture addresses the listener dissects the preacher and elevates the Savior With contributions from authors like William Willimon Darrell Johnson Lynne Baab Robert Smith Jr and Paul Windsor this is an excellent resource for ordained ministers lay preachers theological students and anyone wrestling with the challenge of preaching God's word in a smartphone world **Preaching to People in Pain** Matthew D.

Kim, 2021-05-18 Offering an important corrective to a pain averse culture that celebrates individualism and success veteran preacher and teacher Matthew Kim encourages pastors to preach on the painful issues their congregations face Through vulnerability and self disclosure pastors can help their congregants share their suffering in community for the purpose of healing and transformation The book includes stories shares relevant Scripture texts imparting biblical wisdom and offers best practices for preaching on specific topics Each chapter ends with discussion questions and a sample sermon **Arts and Preaching: A Handbook for Practice, Volume 1** Sunggu A. Yang, 2025-06-06 Arts and Preaching A Handbook for Practice is a transformative guide that merges the dynamism of various art forms with the spiritual practice of preaching Edited by Sunggu A Yang this handbook challenges traditional sermon delivery by advocating for an artistic holistic approach that speaks to the senses and soul With chapters on painting architecture fashion film and theater this work is designed to resonate deeply with contemporary audiences making the divine message a multisensory experience that fosters profound spiritual engagement Perfect for preachers seeking to enrich their ministry with creativity and depth this handbook offers a fresh perspective on conveying the timeless truths of Scripture In an era where sensory engagement and interactive experiences shape our perceptions Arts and Preaching A Handbook for Practice explores the powerful synergy between various art forms and preaching Edited by Sunggu A Yang and contributed to by a team of seasoned preachers and

academics this handbook addresses the contemporary need for a dynamic and immersive approach to preaching that resonates with today's visually and aurally attuned audiences. Covering intersections of painting, architecture, fashion, film, and theater with homiletic practices, each chapter offers a unique lens through which the gospel can be communicated in a manner that is both theologically profound and artistically vibrant. Designed for preachers who wish to integrate artistic expressions into their preaching, this handbook serves as a catalyst for enhancing public worship and fostering a deeper congregational life through the arts. As we navigate an age of fleeting attention, *Arts and Preaching* ensures that the timeless messages of faith are conveyed in ways that are both innovative and deeply resonant. *A Little Handbook for Preachers* Mary S. Hulst, 2016-03-11 No function of the pastor is as visible and stress-inducing as preaching. But few pastors feel adequately prepared for this high-stakes responsibility when they begin their ministries. Forged by her experiences as a pastor, preaching professor, and college chaplain, Mary Hulst provides practical tips for all pastors, whether ministry newcomers or seasoned professionals. *How Effective Sermons End* Ben Awbrey, 2022-07-21 Extremely rare is the preacher whose preaching could not be improved substantially by readdressing his sermon conclusions. Moreover, a sermon conclusion marks the typical preacher's greatest need for improvement in his preaching. This most significant element of a sermon has been championed for its importance in a sermon, and yet the conclusion is trivialized, if not omitted from the preaching of sermons. Whether textual, topical, or expository in preaching methodology, the typical preacher has a greater understanding and better implementation of everything else related to preaching in contrast to what is understood and done in concluding sermons. Much is not done, and much more is not understood, to conclude sermons with clarity, strength, and persuasiveness. *How Effective Sermons End* provides a comprehensive approach and thorough examination of the sorely needed and long-overlooked instruction regarding that most vital of all elements of a sermon: the sermon conclusion. This book fills the existing void in homiletical pedagogy about concluding sermons, a void that prevents preachers from reaching their full potential of effectiveness in the ministry of preaching the Word of God. The pathway of better preaching is knowledge and skill to effectively conclude sermons, and this book floods that pathway with light. *Preacher* David H. C. Read, 2017-06-21 This book introduces David H. C. Read to a new generation through sermons that are not merely elegantly worded and biblically grounded but packed with life experience that included a five-year stint as a prisoner of war during World War II. From amongst the almost 1500 sermons that Read preached during his ministry in Manhattan, John McTavish has selected forty enduring messages that show David Read justifying Time magazine's assessment that Read is not merely elegant and literary; his words carry authority through his thought, runs a strain of deep feeling, and faith capable of convincing others. *Mind What Matters* Amanda Belmont, 2023-02-22 Wow, where did that thought come from? If you've ever had that thought, this book is for you. Everything starts with a thought: great ideas and inventions, for example, but also horrible ideas and sin start with a thought as well. So what is a person to do? Are we doomed to simply be the bearers of

whatever thoughts race through our minds at any given time By no means as children of God we have everything we need to live well starting with the thoughts in our minds We are not captives to our thoughts but in fact we can take our thoughts captive This book looks at four different aspects that lead to developing a theology of a sound mind and a good thought life To build a sound mind one must be actively involved in the process The information gained on what a sound mind is how to improve and activate it and healthy habits to incorporate to strengthen the mind should be continually applied both for our benefit and most importantly so each person can honor and glorify God to the best of their ability **Missional Preaching**

Stephen Stallard, 2025-09-01 Missional Preaching provides overwhelmed pastors with a step by step guide to preaching in today's post Christian culture blending practical experience with missional expertise
