William R. Beer,1989-01-01 If present trends in divorce and remarriage continue before the end of the century the stepfamily will outnumber all other types of family in the United States In 1980 one out of five children under the age of eight were living in stepfamilies and there were at least two million households in which the children were relation only by marriage stepsiblings or who shared only one parent in common half siblings How are these new kinds of family relationships working out In particular how are children faring in these kinds of families There are a number of books on the successes and difficulties of second marriages that involve children but most of these look at problems from the perspective of one or both spouses Popular literature in particular had emphasized the problem of the new spouse who inherits a family without really focusing on the relationships among stepsiblings Strangers in the House focuses on the children of these marriages both stepsiblings and half siblings and the relationships among them with the parents It is a report on how they are faring drawn from the results of original research by the author case studies of stepfamilies interviews with stepsiblings and half siblings a survey of members of the Stepfamily Association of America and participation in three step family self help groups The result is a vivid portrait of nontraditional family constellations that provides an overview of changes in American families the increased divorce and remarriage rates and how stepfamilies differ from other families Beer identifies major problem areas in stepsibling relations and shows how youngsters are adapting to these special situations He examines classic rivalries over love attention space and property shows how these are worked out within these special circumstances The book concludes with an overview of the dynamics of sibling relations in these special families and analyzes how the stepsibling subsystem fits

into the larger family structure Beer shows that in many respects the problems of these families characterize changes in the social structure in postindustrial society *Knights & Dragons MC Books 1-3* Chantal Fernando,2025-06-23 The Knights of Fury and the Wind Dragons MCs come together in New York Times bestselling author Chantal Fernando's gritty Knights Dragons MC series Decker's Dilemma They'll have to cross every line to be together including the law For ex cop Seth Decker tracking down his client's newly discovered half sister Cara Ward was the easy part Walking away from the sexy schoolteacher is a whole different story Cara thought she had the road ahead all mapped out she'd be a biker's old lady straddling a Harley behind the man she fell for in her teens But she's all grown up now While the Wind Dragons will always be family Cara wants something more something for herself That something may just be Decker even if he isn't a biker Once an MC princess always an MC princess though When Cara's connection to the Wind Dragons puts her in the line of fire from a vengeful gang Decker realizes the safest place for her is by his side After all there's nothing he won't do to protect the woman he loves Even if it means crossing the line of the law he once swore to uphold Rhett Redeemed Life is about choices He had a history of making bad ones United with her newly discovered half sister Constance Wilder finally has a family She should be happy but she's not Instead she's even lonelier which is why a one night stand with a sexy biker is just what she needs A few hours of wild sex won't just bring her pleasure it will help her forget Rhett did what was necessary to step into his role as leader of the Wind Dragons MC including cutting ties with the woman he loved He wouldn't change it but that doesn't make it easier Thankfully the beautiful woman across the bar is a welcome distraction He never expected her to light a spark inside him leaving him wanting more Constance falls hard for Rhett Not only is she pretty sure he's her soul mate he's the one person she's felt connected to in a long time But when it's revealed that Rhett is her sister's ex Constance is faced with losing her newly found family making happily ever after seem damn near impossible Answering Atlas He was everything she didn't want and exactly what she needed Daughter of the infamous Rake from the Wind Dragons MC lawyer Natalie Ward knows all too well the trouble getting involved with a biker can lead to That's not for her she'll stick to suits over leather Nothing will change her mind especially not a sexy built like a Greek god biker that rides for the Knights of Fury Atlas is on a manhunt to find a rival gang leader and the last thing he needs is a distraction But when he runs into Natalie at a bar all her strength and beauty wrapped in a power suit he can't look away He wants to forget her Running into her at every corner in town isn't making it easy though Being with her is impossible but it's the only thing that makes sense When Atlas helps her get out of a difficult situation Natalie can no longer ignore their growing attraction And when a common enemy of both their clubs becomes a client at her law firm she finds herself pulled into the very world she's sought to avoid Previously published Knights of Fury Book 1 Saint Book 2 Renegade Book 3 Temper Fast Fury Book 1 Custom Built Book 2 Custom Made Book 3 Custom Love Knights Dragons MC Book 1 Decker's Dilemma Book 2 Rhett Redeemed Book 3 Answering Atlas
