An Investigation of Block Scheduling in High School String Ensembles Kathlene J. Goodrich, 2001

Smart Kids, Bad Schools Brian Crosby, 2025-09-23 In Smart Kids Bad Schools award winning author and educator Brian Crosby draws on his twenty years as a high school English

teacher to offer a candid appraisal of why our schools are failing and what we must do to save them Crosby's no holds barred critique of the broken education system leaves no stone unturned he is unapologetic and uncompromising in his exposé of how teachers administrators unions and parents all play a part in this national tragedy Crosby offers 38 ideas to save America's future and his proposed remedies are revolutionary He recommends bold measures such as lengthening the school day and school year forcing parents to volunteer at schools abolishing homework outlawing teachers unions and cutting special education funding The result is a book that is likely to inflame passions on all sides of the political spectrum and in the process introduce new ideas to a debate that is in dire need of them Public School Equity Manya Whitaker,2023-09-01

Equality is not equity tolerance is not inclusion and access is not opportunity Efforts to address inequities within our schools tend to ignore the underlying beliefs that sustain injustices and focus instead on short lived policies and practices This book takes a different approach to eradicating educational disparities Drawing on more than forty interviews with teachers principals and district leaders Manya C Whitaker offers educators guidance for leading a school or district grounded in social justice that centers teachers not just teaching practices and that focuses on the belief systems that shape decision making The chapters walk educational leaders through a strategic approach to long term change from school planning for family and community engagement to hiring and onboarding teachers to sustaining equity through multifaceted professional development and equitable evaluation Concrete how to's are provided throughout along with reflection questions to help readers apply the content to their context For any school or district leader intent on addressing the many inequities highlighted by the COVID 19 pandemic this book is an essential manual Effective Instructional Strategies Kenneth D.
