Subject: Informing relatives about positive pregnancy test.

Dear Mary,

How are you? Hope you are doing very well. I am very happy at this moment and I have written this letter to you to share the happiness. Today I want to give you good news that my wife Neeta is expecting a baby and her pregnancy is normal with god's grace. We all are very happy to hear that and since that moment we are taking her care and trying our best to keep her happy so that the baby will be healthy and normal. We are following all the guidelines given by the doctor and we hope that we get a very good healthy baby soon. We were so cheerful when she confirmed the news. We thought of sharing this with you and I am sure that you will be too happy after reading this letter. I request to be in touch with her and also give her some guidelines for a successful motherhood, indicate her that you are always with her and close to the heart.

With best wishes

Yours lovingly,

Suzanne

A woman's place? Ciara Meehan, 2023-02-28 This book explores representations of the domestic in Irish women's magazines Published in 1960s Ireland during a period of transformation they served as modern manuals for navigating everyday life Traditional themes dating marriage and motherhood dominated But editors also introduced conflicting voices to complicate the narrative Readers were prompted to reimagine their home life and traditional values were carefully subverted The domestic was shown to be a negotiable concept in the coverage of such issues as the body and reproductive rights working wives and equal pay Dominant societal perceptions of women were also challenged through the inclusion of those who were on the margins widows unmarried mothers and never married women This book considers the motivations of editors the role of readers and the influence of advertisers in shaping complex debates about women in society in 1960s Ireland

Creating Supportive Spaces for Pregnant and Parenting College Students Catherine L. Riley, Katie B. Garner, 2023-12-01 This volume brings together interdisciplinary research theoretical perspectives and detailed explanations of examples to help colleges become supportive spaces for pregnant and parenting students Expanding the discourse around pregnant and parenting college students to a more interdisciplinary and international arena this volume follows the groundbreaking monograph Title IX and the Protection of Pregnant and Parenting College Students Riley Hutchinson Dix 2022 The present volume defines this cohesive field and brings together separate voices to help colleges become supportive spaces The chapters explore academia's attitude toward motherhood families and carework the invisibility of pregnant and parenting students system wide negligence the forgotten nature of student fathers unacknowledged miscarriages organized policy change efforts involved agencies of change the troubling presence of coercion and more While arguing that barriers currently prevent colleges from becoming supportive spaces the volume asserts that improvements are both feasible and vital for ensuring that institutions of higher education are complying with Title IX a U S federal law Offering interdisciplinary research explanations of problems and paths for progress this edited volume will be useful to scholars researchers administrators and activists working to support pregnant and parenting students Various chapters will also interest those working in higher education administration education policy reproductive health gender studies and health and organizational communication more broadly Supporting pregnant and parenting college students however is a shared responsibility belonging to all members of a campus community accordingly this volume is for every institution that plans to comply with Title IX

Fetal Cardiology John Simpson, Vita Zidere, Owen I. Miller, 2018-10-24 This practical book describes a systematic approach to the ultrasound examination of the fetal heart based on accepted screening recommendations The written content is enhanced by images and videos of both normal and abnormal sonographic findings Fetal Cardiology A Practical Approach to Diagnosis and Management goes further than simply describing core screening views It includes extended views of the fetal heart the use of Doppler techniques and assessment of fetal cardiac function Variants which can

be encountered in practice are described as well as the features of the major groups of cardiac abnormalities and fetal arrhythmias. Because the authors include experienced fetal and paediatric cardiologists the focus is not only on diagnostic features but also the approach to postnatal care and prognosis. This content is enhanced by inclusion of chapters relating to associated fetal abnormalities, the genetics of congenital heart disease and new imaging modalities such as MRI of the fetal heart. The book equips all those using ultrasound to image the fetus with a clear concise reference to meet the challenge of new guidelines and to expand their knowledge of complementary echocardiographic techniques and management. It details why prenatal recognition of congenital heart disease is being prioritised to allow for parental choice, recognition of associated abnormalities and improvement of postnatal outcome. As such this book will be important for all professionals whether they be a cardiologist, fetal medicine specialist, sonographer or midwife.

Child Development and Education Teresa M. McDevitt, Jeanne Ellis Ormrod, Glenn Cupit, Margaret Chandler, Valarie Aloa, 2012-08-21. Child Development and Education is a comprehensive child development text written especially for educators. It helps students to translate developmental theories into practical implications for teaching and caring for youngsters with diverse backgrounds, characteristics and needs. The text draws from innumerable theoretical concepts, research studies conducted around the world and the authors own experiences as parents, teachers, psychologists and researchers to identify strategies for promoting young people's physical, cognitive and social emotional growth. In this Australian edition contemporary Australian and New Zealand research has been highlighted and local educational structures, philosophies and controversies have been reflected.
