

Smoking Essay

Smoking should be stopped. It should be stopped because of life threatening lung cancer, the horrific smell and of course the advertising should be illegal . These problems would be gone if nobody smoked.

Lung cancer is a horrible side effect of smoking, it is deadly. The smoke that the smoking victims breath into their lungs condensates to a black tar that suffocates their lungs allowing them to breath in less and less each breath, this makes them a larger target for lung cancer. In fact 70% of people with lung cancer have smoked. Do you really want painful lung cancer ? This is one important reason of why you should not smoke.

The smell of smoke from a cigarette is unbearable for a nonsmoker. The smell is so incredibly bad because its burning tobacco, it smells completely different to normal burning wood because it is a dried leave off the tobacco tree. There are people that smoke and they are not nice to be around because of the smell. Do you want to smell that bad ? This another point of why you should not smoke.

Advertisement of smoking has to be illegal. It has to be illegal because it is a main reasons of why people take up smoking. A form of advertising can just be a friend saying "here take one" or "here have one, be a man" , also billboard advertisement , it gets inside your head, all advertisements do. You don't have to be that person who starts smoking today! This is the last point on why you should not smoke or even start.

Smoking is really bad for you. Firstly if you smoke you have a much larger chance to get lung cancer and die, Secondly the revolting smell that comes from smoking and how bad it is. Thirdly the advertising needs to stop because if we cant get smokers to stop smoking we must not let others start. Make a change, if you see someone with a cigarette tell them to put it down and god forbid you pick one up. You don't want to be that type.

Public Theology for the 21st Century Duncan B. Forrester, William Storrar, Andrew Morton, 2004-01-01. The book is a unique stocktaking by a leading international group of theologians, social scientists, and other scholars on issues facing public theology at the beginning of the 21st century. It combines retrospect and prospect in that it reflects on the issues and approaches that have characterized public theology in the 20th century, especially its latter half, and attempts to anticipate those which will or should come to the fore in the 21st century, seeking to discern continuities and changes. Three opening chapters deal with the overall theme of public or political theology, with Jürgen Moltmann giving a critical historical account from the Second World War onwards, Raymond Plant

relating such theology to cultural pluralism and Andrew Morton illustrating it from the work of Duncan Forrester These are followed by pairs of contributions relating public theology to more specific topicsr History Technology and Creation Globalization Spirituality Punishment and Forgiveness Medical Ethics Tolerance and Human Rights Social Exclusion and Equality *Studying at University* David McIlroy,2003-05-01 For those attending university for the first time the demands made on them academically and socially can seem daunting Studying at University equips you with strategies for making the most out of the experience from the moment you arrive until after you leave Written with fresh insight the book addresses key issues such as adjusting to life at university making presentations working in small groups library and computer resources making the most from lectures and seminars basic numeracy and statistics Studying at University also presents you with new ways of learning Discover ways of developing memory techniques as an aid for not just exams but so you can reap the best rewards from the subject matter in hand Ways of coping with exam and test anxieties are addressed and a final section looks at preparing for job interviews after university life Packed with illustrative material and practical exercises Studying at University enables you to perform at your very best academically SAGE Study Skills are essential study guides for students of all levels From how to write great essays and succeeding at university to writing your undergraduate dissertation and doing postgraduate research SAGE Study Skills help you get the best from your time at university Visit the SAGE Study Skills hub for tips resources and videos on study success Balanced Assessment Kay Burke,2010-03-25 Learn how to integrate formative and summative assessments seamlessly into instruction The research rationale strategies and examples provided in this book will help teachers develop their own repertoire of formative and summative assessments to monitor grade and make inferences about a student s ability to meet standards and curriculum goals Exercises at the end of each chapter provide opportunities to reflect and plan action steps
