**Mobile Networking with WAP** SCN Education B.V., 2013-11-11 Inspiration for the wireless revolution The big Geneva Telecom 99 exhibition will probably go down in history as the moment when Wireless Application Protocol

WAP made its debut in the world A slew of vendors launched their first WAP phones and carriers announced their first WAP services And this time it s Europe that s the frontrunner For once I m not proud to be an American said Larry Ellison the CEO of softwaremaker Oracle in a speech delivered at Telecom 99 Europe is at least 18 months ahead of the United States in deploying WAP The Telecom 99 show could mark the beginning of a bright very bright future for WAP Analysts predict that a significant part of Internet access will be via wireless devices within a few years It s important not to get carried away When the computer industry gets hold of a new concept like WAP it becomes the Next Big Thing Vendors pre announce products and the mass media prints hype When the revolution fails to materialize during the following months the hype will die soon But this time it s different The business case is overwhelming the numbers are staggering and it s the cash loaded telecom industry that is delivering the key products

**Study in Black and White** Tanya Sheehan, 2018-11-26 In this volume Tanya Sheehan takes humor seriously in order to trace how photographic comedy was used in America and transnationally to express evolving ideas about race black emancipation and civil rights in the mid 1800s and into the twentieth century Sheehan employs a trove of understudied

materials to write a new history of photography one that encompasses the rise of the commercial portrait studio in the 1840s the popularization of amateur photography around 1900 and the mass circulation of postcards and other photographic ephemera in the twentieth century She examines the racial politics that shaped some of the most essential elements of the medium from the negative positive process to the convention of the photographic smile The book also places historical discourses in relation to contemporary art that critiques racism through humor including the work of Genevieve Grieves Adrian Piper Lorna Simpson Kara Walker and Fred Wilson By treating racial humor about and within the photographic medium as complex social commentary rather than a collectible curiosity Study in Black and White enriches our understanding of photography in popular culture Transhistorical and interdisciplinary this book will be of vital interest to scholars of art history and visual studies critical race studies U S history and African American studies **U.S. Army Life**
