

# Treasure Hunt Clues for Kids

Getting the first clue will be a joy. Look for it where you would put your toy.

Now that you are playing the game, look in the place where we keep your picture in a frame.

If you want to find more clues, look in the place where you put your shoes.

Get up now and walk on your feet, you will find the next clue under your favorite seat.

You are finding clues and feeling bold, now go to the place that keeps foods really cold.

The next clue is easily seen if you go to the place where you to go get clean.

This isn't a wild goose chase if you go to the place where you can see your own face.

While you are up walking around, go to the place where you go to lay down.

When you look for the next clue you might plug your nose, its hiding in the place you store your dirty clothes.

You have worked hard to get every clue, the last one go where the coffee does.
