Britain and the Dhofar War in Oman, 1963-1976 Geraint Hughes, 2024-03-16 This book explores Britain s involvement in the Dhofar War of 1963 1976 focusing on the military aspects of this conflict in Southern Oman It reveals how both the Conservative and Labour

governments in office during this time provided military and security assistance to Oman's rulers without parliamentary or press scrutiny. Based on archival material and witness accounts as well as existing secondary source literature and memoirs, this study provides new insights into Britain's clandestine embroilment in the Dhofar War, an often overlooked but historically significant intervention in the Middle East. This book will be a valuable resource for scholars and students interested in the complex and often controversial history of Britain's involvement in Middle Eastern politics in the post-colonial period.
