challenges obstacles and disappointments including growing up in a typical rural and underprivileged community with limited choices and opportunities for Western education interruption of university program for three years by war illness and irreparable loss of loved ones that he experienced in life God alone brought consolation blessings and strength to go through the crucibles and unpleasant situations faced Thus the obstacles could only delay but not deter him from becoming what God ordained a professional and emeritus professor outside his country of birth In reflecting on the author s life journey the book hints at the foundations of a life fulfilled the value of hard work in the words of Henry Wadsworth Longfellow The height that great men reached and kept were no attained by sudden flight but they while their companions slept they were toiling upwards in the night and in the scriptures as penned by Solomon in the book of Proverbs 6 23 Go to the ants thou sluggard consider her ways and be wise Which having no guide overseer or ruler provided her meat in the summer and gathered her food in the harvest The book provides many object lessons that would help young people to succeed regardless of the obstacles they may face Also it encourages people to not allow difficulties to limit them in their resolve to pursue their ambitions to place their trust in God the Master Planner and to cling to His promises in Jeremiah 29 11 For I know the plans I have for you declares the Lord plans to prosper you and not to harm you plans to give you hope and a future Claiming this promise Chukudi was quite unwilling to let his age environment and race or other factors including intrigues of colleagues define him or hinder in any way his thirst for intellectual development excellence in his work and giving back to the society God s blessings and endowments to Him Above all else to learn to trust in God and learn to depend on His word
