Coleman,2023-07-17 As a teenager Ron Coleman passed up some pretty amazing opportunities all for reasons even he didn't understand Upon graduation from high school and with no goals or ideas in mind about his future he drifted along for a while It was a very uncertain time The Vietnam War draft was a looming threat to all able bodied males of that age group Eventually with the draft about to call his number he felt forced to enlist in the Air Force Scared to death but much to his surprise this new life led him on a path he never could have imagined While reflecting back on his life during preparations for his second and final retirement Ron realized just how much God had influenced every aspect of his journey What if he didn't have those surgeries as a toddler What if he had been allowed to play sports at an earlier age Why didn't he go to college when it was first offered All he really knew for sure in those earliest years was that he was forced to go to church far more often than he wanted What Ron wasn't aware of during all those church attendances was that God's love was quietly and securely being planted in his heart and mind His faith he learned later was what had sustained him and stood out as a very important part of his life It was only when he took the time to think about everything that had happened in his life that he could see God's fingerprints on it all Ron's story then gives credit where credit is due and hopefully enables others to know where and how to seek help when needed 1 **Stories of an Unknown** J.P. Sonntag,2025-03-14 I've been told that I

had a brother for about a day back in 1959 My little brother Donald only lasted a few hours and then he had to go back and try again with someone else After Donald died I continued as an only child for the remainder of my life I had very little guidance on any given subject My life started in 1957 in a whirlwind of social turmoil When I was too young for school I stayed with babysitters while Mom worked as much overtime as she could in order to pay our bills Once she escaped her wife beating husband my single mom tried her best to make enough money to keep her and me above water and in a better place than the mean streets of St Louis This book outlines the main events of my life as I struggle to learn what it means to be a man a good man a righteous man Without the guidance of a father siblings and only a part time mom my path was not an easy one The stories in this book take you along on my ride to manhood Scanning this QR code will take you to a playlist of songs that accompany this book *Field & Stream* ,1982-02 FIELD STREAM America's largest outdoor sports magazine celebrates the outdoor experience with great stories compelling photography and sound advice while honoring the traditions hunters and fishermen have passed down for generations *Black Enterprise* ,1991-06 BLACK ENTERPRISE is the ultimate source for wealth creation for African American professionals entrepreneurs and corporate executives Every month BLACK ENTERPRISE delivers timely useful information on careers small business and personal finance **Decisions and Orders**
