[A Catalog of Such Stuff as Dreams Are Made On](#) Kai-cheung Dung, 2022-06-21 Dung Kai cheung's A Catalog of Such Stuff as Dreams Are Made On is a playful and imaginative glimpse into the consumerist dreamscape of late nineties Hong Kong First published in 1999 it comprises ninety nine sketches of life just after the handover of the former British colony to China Each of these stories in miniature begins from a piece of ephemera usually consumer products or pop culture phenomena and develops alternately

comic and poignant snapshots of urban life Dung's sketches center on once trendy items that evoke the world at the turn of the millennium such as Hello Kitty Final Fantasy VIII a Windows 98 disk a clamshell mobile phone Air Jordans and cargo shorts The protagonist of each piece typically a young woman is struck by an odd even overriding obsession with an object or fad Characters embark on brief dalliances or relationships lasting no longer than the fashions that sparked them Dung blends vivid everyday details Portuguese egg tarts Japanese TV shows the Hong Kong subway with situations that are often fantastical or preposterous This catalog of vanished products illuminates how people use objects to define and even invent their own selves A major work from one of Hong Kong's most gifted and original writers Dung's archaeology of the end of the twentieth century speaks to perennial questions about consumerism nostalgia and identity *PC Mag* ,2003-08-19 PCMag.com is a leading authority on technology delivering Labs based independent reviews of the latest products and services Our expert industry analysis and practical solutions help you make better buying decisions and get more from technology
