

The image shows the internal components of a Panasonic LED TV. A green LCD TV Controller Driver Board is visible, featuring various electronic components like capacitors, resistors, and integrated circuits. A large black chip with the 'aico' logo is prominent on the right side of the board. Several flat-panel cables are connected to the board, including a red and white one, a white one, and a blue and white one. A silver screwdriver is positioned on the left side of the board. In the bottom right corner, there are several coaxial connectors, including a gold-colored one and an orange one. The background is dark, and the overall scene is well-lit, highlighting the intricate details of the electronic components.
