Pancakes With Papa Five Ways To Remember:

Pancakes with Papa Dena Albergo Jayson, 2015-01-15 Johnny's favorite thing to do is spend time with his papa. But Papa isn't here anymore. How is he going to remember him? Through charming illustrations and prose. *Pancakes with Papa* engages the five senses to help young Johnny remember important times with his papa. A thoughtful and tender book to help children deal with the death of a loved one. This lovely story validates the grief children feel but don't understand. It shows how we can use all of our senses to remember someone who is no longer with us and to recall and share happy memories to continue to feel the connection they once enjoyed. A wonderful resource to help children and families dealing with loss. Dr. Jane Bluestein, Educator, Author.

My Boyhood John Burroughs, 2019-12-19 In *My Boyhood*, John Burroughs offers a poignant memoir that weaves together the themes of nature, childhood, and self-discovery, revealing his formative experiences growing up in rural New York during the mid-19th century. Written with a vivid, lyrical style that captures the beauty of the natural world, Burroughs employs rich imagery and introspective prose, inviting readers to share in his observations of flora and fauna as well as the innocent joys and trials of youth. The book fits into the American transcendentalist tradition, reflecting the philosophies of Ralph Waldo Emerson and Henry David Thoreau while simultaneously charting its own idiosyncratic course through nature's influence on personal growth. John Burroughs, an important figure in American literature and a passionate advocate for conservation, drew upon his rousing experiences to pen *My Boyhood*. His deep appreciation for the natural world was cultivated from a young age, stemming from his explorations of the vast wilderness surrounding his home. As an essayist and naturalist, Burroughs explored the interconnections between humanity and the environment, with his writings often reflecting a desire to inspire others to foster a similar reverence for nature. This work is highly recommended for readers who seek a reflective and immersive narrative that celebrates the intersection of nature and human experience. *My Boyhood* serves not only as a rich historical account of a bygone era but also as a timeless meditation on childhood, making it essential reading for both nature enthusiasts and lovers of memoir alike.

A Cup of Comfort for Sisters Colleen Sell, 2007-08-01 A powerful collection of stories that celebrate the special bonds of sisterhood. No one knows a woman quite like her sister does, no matter their differences, rivalries, or how far apart they may drift over time. Sisters confide in each other, share their most intimate secrets, and depend on each other for support and guidance when everyone else in their lives disappoints them. This unique collection celebrates the special relationship that only sisters share. The sisters in *A Cup of Comfort for Sisters* care for one another through good times and bad, providing advice and a reassuring hug when they are needed most.
