Do you have any police record?

A police record means you have made a crime or violation action before. So, does it affect on your chance of becoming a Police or the success of your interview? Yes, it does! So how do you fix it? how do you handle the question?

If you do not have any police record, the problem will become nothing; instead, it will only do good for you. But on the contrary, if you have one, don't try to hide it from the interviewer. Be straight about your mistake in the past and show that you are now aware of your action and have done many thing to improve yourself. Don't be too much worried about the fact that you have made a violation of law in the past; instead,

MEMORY ENHANCING TECHNIQUES FOR INVESTIGATIVE INTERVIEWING Ronald P. Fisher, R.E. Geiselman, 1992-01-01 Despite the obvious importance of eyewitness information in criminal investigation police receive surprisingly little

instruction on how to conduct an effective interview with a cooperative eyewitness More than half of police departments have no formal training whatsoever for newly appointed investigators Most texts in police science either completely omit the issue of effective interviewing techniques or provide only superficial coverage This manual provides guiding principles to effective interviewing with specific techniques to be used and others to be avoided There are principles of memory retrieval so that the reader will understand why to employ specific techniques for example when to use open ended versus direct short answer questions effective use of pauses asking follow up questions cues to name and number recall etc There is the strategy of interview sequential structure that is what to probe for at the beginning middle and end of the interview Also included are practical exercises and real world experiences The book will also be helpful for attorneys in conducting investigative interviews
