The Politically Incorrect Guide™ to ISLAM (AND THE CRUSADES)

A part of the bestselling P. I. G. series

***You think you know about Islam.
But did you know:***

- ✦ Islam teaches that Muslims must wage war to impose Islamic law on non-Muslim states
- ✦ American Muslim groups are engaged in a huge cover-up of Islamic doctrine and history
- ✦ Today's jihad terrorists have the same motives and goals as the Muslims who fought the Crusaders
- ✦ The Crusades were defensive conflicts
- ✦ Muslim persecution of Christians has continued for 13 centuries—and still goes on

Politically Incorrect Guide To Islam Sales:

Politically Incorrect Guide to Islam (And the Crusades) Robert Spencer, 2005-08-01 The courageous Robert Spencer busts myths and tells truths about jihadists that no one else will tell MICHELLE MALKIN While many choose to simply blame the West for provoking terrorists Robert Spencer's new book *The Politically Incorrect Guide to Islam and the Crusades* reveals why it is time to ignore political correctness and identify the enemy if we hope to ever defeat them In a fast paced politically incorrect tour of Islamic teachings and Crusades history Spencer reveals the roots of Islamic violence and hatred Spencer refutes the myths popularized by left wing academics and Islamic apologists who justify their political agendas with contrived historical facts Exposing myth after myth *The Politically Incorrect Guide to Islam and the Crusades* tackles Islam's institutionalized mistreatment of non Muslims the stifling effect Islam has on science and free inquiry the ghastly lure of Islam's X rated Paradise for suicide bombers and jihad terrorists the brutal Islamic conquests of the Christian lands of the Middle East and North Africa and more In *The Politically Incorrect Guide to Islam and the Crusades* you will learn How Muhammad did not teach peace and tolerance instead he led armies and ordered the assassination of his enemies Why American Muslim groups and left wing academics are engaged in a huge cover up of Islamic doctrine and history How today's jihad terrorists following the Qur'an's command to make war on Jews and Christians have the same motives and goals as the Muslims who fought the Crusaders Why the Crusades were not acts of unprovoked aggression by Europe against the Islamic world but a delayed response to centuries of Muslim aggression What must be done today from reading the Qur'an to reclassifying Muslim organizations in order to defeat jihad terrorists [Politically Incorrect Guide to the Middle East](#) Martin Sieff, 2008-01-28 The Middle East is almost never off the front pages yet most Americans know little about the region Why The mainstream media and Ivy League academics instead of helping only make matters worse by casting everything in the usual politically correct mold Arab terrorists are just desperate freedom fighters and the region's one free democracy Israel is the oppressor not least because of its alliance with America And if Islamic extremism is a problem the establishment tells us it's only because it's rooted in that source of all evils religion A different strain of political correctness has seeped into some minds on the right most notably the Bush administration which so ready to buy into the egalitarian myths we are all taught believed that Western style democracy could flourish anywhere Now in *The Politically Incorrect Guide to the Middle East* veteran Middle East correspondent Martin Sieff puts the lie to all these myths and clichés giving you everything you need to know about the region to understand its past its present and its possible future **Envisioning Islam** Michael Philip Penn, 2015-07-22 Uses writings of Mesopotamian Christians to challenge modern scholarly narratives of early Muslim conquests rulers and religious practices *Politically Incorrect Guide to Jihad* William Kilpatrick, 2016-09-26 A book to challenge the status quo spark a debate and get people talking about the issues and questions we face as a country [In the Tracks of Breivik](#) Mats Deland, Michael Minkenberg, Christin Mays, 2014 In mid July 2011 the lone wolf terrorist Anders

Behring Breivik placed a bomb at the Norwegian government block killing eight people He then traveled to a youth camp on a small island in the Oslo archipelago where another 69 people mainly teenage social democratic activists were shot in cold blood Far right terrorism aligns its actions against the backdrop of ideological evolution and transnational networks that spread their messages in concerted ways In the Tracks of Breivik addresses the far right by providing both cross national and country specific perspectives of transnational networks and dimensions Series Politics Research and Science Politik Forschung und Wissenschaft Vol 37 Subject Terrorism Politics European Studies *Islam as Imagined in Eighteenth and Nineteenth Century English Literature* Clinton Bennett,2022-11-29 Since medieval times English literature has often demonized Muslims The term Islamophobia is recent but the phenomenon is old This survey of literature focusing on the modern period up to 1914 identifies negative ideas about Islam in novels and plays Some works are iconic some more obscure However the book highlights writers who challenged stereotypes and tended to see Muslims as equally capable of virtue and vice as Christians and others The book deals with the role of the imagination in depicting others and how this serves authors agendas The conclusion brings the book s thesis into dialogue with the debate in the USA today between supporters of multiculturalism and its critics Anyone interested in how stereotypes are formed perpetuated and can be challenged will profit from this book It is aimed at a non specialist readership *The Catholic World Report* ,2006 *The Publishers Weekly* ,2009 **The National Review Politically Incorrect Reference Guide** Frederick W.
