Marzulli,2007-07 One myth from the history of every great civilization spoke of beings descending from heaven and using human and animal DNA to create giant offspring Rabbinical authorities Septuagint translators and early church fathers understood this as a factual record of history The phenomenon began with the Watchers who spawned Nephilim resulting in judgment from God The ancients also knew Bible passages that predict the Nephilim will return when Iraq and Iran are invaded and destroyed Is this prophecy about to be fulfilled Is man in his rush to play god through biological weapons biotechnology and genetic manipulation opening gateways to a supernatural unknown Nephilim Stargates and the Return of the Watchers is a glimpse into this past present and future phenomena with an eye on what sages and scientists believe and what futurists and prophets may fear Thomas Horn is CEO of Raiders News Network a syndicated columnist and the bestselling author of The Ahriman Gate He has written two other books as well as dozens of published editorials and magazine articles His works have been referred to by writers of the LA Times Syndicate MSNBC Christianity Today Coast to Coast World Net Daily and White House Correspondents Thomas resides outside Portland Oregon Signs of the Coming Messiah in This Generation , Why Did Yahweh and His Son Yahshuah Say What They Said? Prock,2020-05-07 YAHWEH The LORD God and His Son YAHSHUAH Jesus Christ made statements with regard to Eschatology that have been Spiritualized for over a Millennium which has led to the belief in Universalism the belief that YAHSHUAH died for EVERYONE Well after one studies the original languages of the Hebrew Aramaic and Greek the message of the Kingdom of God was preached to and accepted by a certain House in the Bible The other House rejected this message and YAHSHUAH punished that House by taking the Kingdom away from them and giving It to another nation bringing forth fruit There are only the House of Israel the House of Judah and the House of David mentioned in the Bible All three existed then as they do today However most of today s Babylonian Priesthood Churchianity refuses to accept the secular historical position with regard to the House of Israel and who they are today The people groups which YAHWEH and YAHSHUAH addressed still exist today However these people are all mixed up and known by different names but they DO exist This book goes back to the origin of these people groups in the Bible and brings them forward to the present using their old names in order to understand Eschatology This brings us to the major question of Is the Bible only about Israel And if so how does it affect our Eschatology today This book answers these hard questions **Out of the Bottomless Pit** S.N.

Martel, 2022-07-11 In Anarchist Prophets James R Martel juxtaposes anarchism with what he calls archism in order to theorize the potential for a radical democratic politics He shows how archism a centralized and hierarchical political form that is a secularization of ancient Greek and Hebrew prophetic traditions dominates contemporary politics through a prophet's promises of peace and prosperity or the threat of violence Archism is met by anarchism in which a community shares a collective form of judgment and vision Martel focuses on the figure of the anarchist prophet who leads efforts to regain the authority for the community that archism has stolen The goal

of anarchist prophets is to render themselves obsolete and to cede power back to the collective so as to not become archist themselves Martel locates anarchist prophets in a range of philosophical literary and historical examples from Hobbes and Nietzsche to Mary Shelley and Octavia Butler to Kurdish resistance in Syria and the Spanish Revolution In so doing Martel highlights how anarchist forms of collective vision and action can provide the means to overthrow archist authority **The Catholic Encyclopedia** Charles George Herbermann,1913 Ancient Philosophical Poetics Malcolm Heath,2012-11-29 What is poetry Why do human beings produce and consume it What effects does it have on them Can it give them insight into truth or is it dangerously misleading This book is a wide ranging study of the very varied answers which ancient philosophers gave to such questions An extended discussion of Plato s Republic shows how the two discussions of poetry are integrated with each other and with the dialogue s central themes Aristotle s Poetics is read in the context of his understanding of poetry as a natural human behaviour and an intrinsically valuable component of a good human life Two chapters trace the development of the later Platonist tradition from Plutarch to Plotinus Longinus and Porphyry exploring its intellectual debts to Epicurean allegorical and Stoic approaches to poetry It will be essential reading for classicists as well as ancient philosophers and modern philosophers of art and aesthetics **Report of the Proceedings** Church congress,1877 **The Official Report of the ...
