Pool, 2024-06-30 Hi I'm Marissa Sanlier Up until a few days ago I was a twenty year old girl living with my great great maybe a few more greats aunt in Pennsylvania She died mysteriously and left me everything Her fortune her corporation and this huge estate But she also left me a note That note led me to secrets that dated back thousands tens of thousands of years and laid to rest the question of where we came from why we were here and who made us this way I stumbled onto an ancestry of assassins dedicated to seeing the innocents remain free and ensuring the plots of secret societies hidden in the shadows never come to pass Secret societies that always existed clouded in conspiracy theories but whose history dates back to the birth of mankind My great aunt trained me from a toddler to one day take her place unknown to me and I was now supposed to simply accept her role as guardian The choice is clear I could fade into a privileged lifestyle ignore the genetic enhancements passed on to me by dead parents and watch the world fall slowly into chaos slavery and total subjugation by those working in the shadows Or I could take up the mantle of my ancestors and become The Hawk

Vedette Stephen Siciliano, 2004-04 Born to a Gothic social order branded a haunter of men's dreams, Vedette is traumatized when her small town in the magical wetlands of southern Spain's Guadalquivir River is overrun by hashish-smoking anarchists promising free love and a life without sadness to those who would follow them. Entranced by their flamenco music, their philosophy of revenge and the concrete ability to deliver political results, the young woman joins a movement destined to annihilation and becomes its sole survivor, burdened with the task of keeping its memory and project for a better world alive through conversations with their flamenco shadows. Transcending political viewpoints, Mr. Siciliano opens a new chapter in the understanding of the Spanish Civil War, opting for a literary interpretation that looks beyond right and wrong to more universal lessons: only the passage of decades and the healing effects of time can reveal.
