## Financial Assistance Request Letter

---

July 23, 2050

Drake Feeney  
Program Coordinator  
BrandKat  
Austin, TX 73301

Dear Mr. Feeney,

I trust this letter reaches you in good health. My name is **[Your Name]**, and I am writing to request financial assistance from BrandKat due to unforeseen medical expenses following a recent hospitalization.

Despite my best efforts to manage my finances, I find myself in a difficult position. I was recently diagnosed with a serious health condition that required surgery, leading to significant medical bills and lost wages during my recovery period.

I am seeking assistance for \$3,000 to help cover my medical bills and rent for the next few months. This support would greatly alleviate my financial burden and allow me to focus on my recovery without the stress of mounting expenses.

fifteen years of experience working with teens and the foster care system to introduce new ways to empower teens to be responsible for themselves and to identify and develop their potential They also explore what sorts of resources legal financial and human will need to come from inside and outside the system to ensure that more teens reach successful independence Ultimately Krebs and Pitcoff argue that change must include the participation of caring communities of volunteers who want to see disadvantaged youth succeed as well as the use of creative approaches such as the Socratic Method to help teens to take control of their lives Bringing together a series of inspiring real life accounts Beyond the Foster Care System introduces readers to a number of dynamic young people who have participated in the Youth Advocacy Center s programs Their stories demonstrate that alternatives to the standard way of providing foster care are not only imaginable but possible With the practical improvements Krebs and Pitcoff outline teens can learn the skills of effective self advocacy become better prepared for the transition to independence and avoid becoming the statistics that foster care has so often produced in the past
