poignant insight and real life irony the book follows Sonnenfeld from childhood as a French horn player through graduate
film school at NYU where he developed his talent for cinematography His first job after graduating was shooting nine feature
length pornos in nine days From that humble entrance he went on to form a friendship with the Coen Brothers launching his
career shooting their first three films Though Sonnenfeld had no ambition to direct Scott Rudin convinced him to be the
director of The Addams Family It was a successful career move He went on to direct many more films and television shows
