Survivor Injustice Kylie Cheung, 2023-08-15 Journalist and Jezebel staff writer Kylie Cheung exposes the insidious and often unseen connections among domestic abuse state based violence political disenfranchisement and the carceral state An astonishingly original powerfully honest vision for true survivor justice Kirkus starred review For readers of *The Revolution Starts at Home* Feminism for the 99% and Good and Mad Incisive urgent and written exactly for our post Roe times *Survivor Injustice* is the feminist frame changing read we need now for each of us and for all that's at stake With an abolitionist lens journalist and Jezebel staff writer Kylie Cheung shows how domestic abuse and state violence are systemic

and interconnected She shatters the harmful and convenient narrative that abuse is a private matter perpetrated by individual bad actors and situates popular understandings of domestic abuse in an indictment of the racism misogyny and carcerality baked into U S culture and politics Cheung explores The links between capitalism and domestic abuse how late stage capitalism colludes with the state to incentivize forced birth and reproductive coercion Intimate partner violence as a tool of political silence and social control America s tacit acceptance of sexual assault from the home to the White House The interplay of race power gender and sexuality in state based violence How the United States runs on carcerality and what that means for victims The way we view survival crimes and our complicity in defining which acts are violent and whose actions are criminal How white feminism and carceral feminism fail us all Cheung plainly names all that goes unsaid when we as a culture talk about abuse How state and society criminalize women girls and gender oppressed people of color That what happens behind closed doors affects whose voices we hear at the ballot box What it means when we put predators from every party up for vote That sex workers are more likely to be victimized by law enforcement than saved by them That this is all by design And that ultimately with organizing abolition and beyond the ballot action we can change it all for good Hidden Demons Margery B. Metzger, 2023-01-03 A New England community is rocked by a serial killer a mass shooter and a sexual predator all in a single day in this true crime chronicle On January 7 1994 residents of Berkshire Hills woke up to a typical winter day in the majestic woods of Western Massachusetts But as that fateful day unfolded three separate crimes each unsettling in its own way would converge in this quaint corner of New England That day a trial began for college student Wayne Lo who celebrated his 18th birthday by purchasing an assault rifle and opening fire on campus killing two and wounding four others Elsewhere two young girls were accosted in the changing room at the local pool And another young girl narrowly escaped being abducted at gunpoint on her way to school Her quick thinking later resulted in profound repercussions regarding another case that of a young boy who vanished from a strip mall Though these events appeared unrelated it seemed as though the world had suddenly gone mad In Hidden Demons Margery B Metzger details these events and reveals a savage serial killer Lewis Lent Jr who lurked in the shadows It was the bravery of a father and daughter and the remarkable work of law enforcement officers that would see justice done **Connecticut Appellate Reports** Connecticut. Appellate Court, 2008 *Daily Report* , 1986-03 Sex Work Colette Parent, Chris Bruckert, Patrice Corriveau, Maria Nengeh Mensah, Louise Toupin, 2013-09-18 In the early twentieth century abolitionists sought to stamp out sex work by penalizing all involved In the generation that followed neo abolitionists looked at the sex industry from a feminist perspective claiming that workers were victims caught in a patriarchal matrix Yet both agreed that sex work was a destructive and corrupting force that should be eliminated In this lucid and fearless volume five academics and activists convey their vision of prostitution as work albeit stigmatized and marginalized labour In chapters that consider the nature of sex work the legal framework that seeks to control the sex industry the historical debates over its existence the spectre of

human trafficking and community based activism from within the industry the authors assert the central place of sex workers in discussions about their lives and work This book opposes discourses that position sex workers as victims without agency
