**Costly Love** John H. Armstrong, 2018-06-30 John Armstrong knows from personal experience how easy it is to put too much emphasis on correct teaching in our experience of church and how easily we lose sight of the love on which Christ built his church when we do so In *Costly Love* Armstrong acknowledges the importance of doctrine and theological discussion in the church but he urges Christians to focus first on whether we are following Jesus' new commandment to love as he loved Our actions of love will begin to bring us closer to unity with one another and with God

*The Joy of Believing: The Vision and Relevance of Lumen fidei and Evangelii gaudium in Indian Context* Babu Joseph Kalathil, 2015-02-01 Religion and theology became an occult science for many and belief in the values of life that religions proclaim turned to be useless and void The handing on of the faith has become a deep crisis and a problematic today and has turned to be a burning issue for the contemporary Church What is necessary in the contemporary culture is to develop a counter culture that passionately understands the love of God and sharing it passionately and joyfully with the fellow humans and the world around us We need a counter culture of sharing the truth and love which is God Pope Francis' message is none other than this He exhorts for a missionary renewal in the Church and to have a new theological outlook that leads the Church to be a Church of the poor a counter culture of compassionate and tender love When it comes to India the Church a minority in number faces a lot of challenges in its practice and proclamation of faith Globalization and the new economic reforms badly affected the Indian culture which is turning to be secular as well as fundamentalist With a weak presence in many areas the Church in India is struggling to make its presence felt in the nation Here the author is making an attempt to understand the joyful sharing of the Gospel in the Indian context in the light of the first two documents of Pope Francis The author discusses the challenges and ways to face the challenges to be truthful by being in love and faith It will provide a clear understanding to live the faith relying upon God's providence and mercy and will enable the Church to work for the holistic development of humanity

*Love in Action* Simon Cuff, 2019-02-28 Described as the Catholic church's best kept secret Catholic Social Teaching provides a rich body of thought and finds a particular resonance as all denominations in the church seek to engage with the needs of contemporary society Yet beyond the immediate context of the Catholic church it is all too readily ignored Resolutely aimed at those who come from traditions beyond the movement's traditional catholic heartlands but who seek to view their ministry through the lens of generous orthodoxy *Love in Action*

offers a deeply scriptural but accessible introduction to this vital approach to the church's ministry in the world      **The Joy of Discipleship** Pope Francis, 2016-01-19 Dear friends be glad Do not be afraid of being joyful Pope Francis from The Joy of Discipleship Near the end of Luke's Gospel two disciples slowly make their way home from Jerusalem to the village of Emmaus At the outset they are deeply saddened by Jesus' tragic death By that evening however they have made a 180 degree turn from dejected disciples to followers filled with joy a joy they simply must share with others as fast as they can What accounts for this change They have encountered the risen Christ In The Joy of Discipleship Pope Francis reminds us that joy should be one of the defining characteristics of any person who has truly encountered Jesus This skillfully curated collection of homilies speeches and other documents from Pope Francis compiled and edited by James P Campbell offers a fresh perspective on why Christian disciples should be so joyful in the first place and how that joy might manifest itself in our individual daily lives Covering a broad range of themes Christ's Resurrection mercy wealth and poverty the Christian family and more The Joy of Discipleship moves us to meditate on Christ and then inspires us to move out from our own four walls jubilantly proclaiming God's transforming love in word and deed For anyone who wants what Pope Francis has an active abiding authentic love for Jesus Christ for the Church and for the people of this world The Joy of Discipleship will point the way This volume gives us a portrait of the Pope and what amazing joy fills his life his mind his teaching his discipleship From the foreword by Daniel Cardinal DiNardo      **Towards a Politics of Communion** Anna Rowlands, 2021-12-02 Anna Rowlands offers a guide to the main time periods key figures documents and themes of thinking developed as Catholic Social Teaching CST A wealth of material has been produced by the Catholic Church during its long history which considers the implications of scripture doctrine and natural law for the way these elements live together in community most particularly in the tradition of social encyclicals dating from 1891 Rowlands takes a fresh approach in weaving overviews of the central principles with the development of thinking on political community and democracy migration and integral ecology and by considering the increasingly critical questions concerning the role of CST in a pluralist and post secular context As such this book offers both an incisive overview of this distinctive body of Catholic political theology and a new and challenging contribution to the debate about the transformative potential of CST in contemporary society      **ECMLG2013-Proceedings For the 9th European Conference on Management Leadership and Governance** Maria Th Semmelrock-Picej, Aleš Novak, 2013-01-09
