tried and true method and show you how batch cooking a few basic components can give you an entire week's worth of dinners with minimal time and effort. Have you ever tried a meal prep plan before and gotten so excited about having your cooking for the week done ahead of time only to find yourself totally exhausted after a full day in the kitchen, shocked by your grocery bill and tired of the same leftovers by Tuesday? Cassy Joy Garcia had been there too. As a mom, business owner and Nutrition Consultant, she needed to get a healthy, affordable and tasty dinner on the table fast every night and she knew there had to be a better way to do it. She finally cracked the code when she discovered that by batch cooking a protein, starch and vegetable each week, she could easily assemble three fresh, diverse meals in minimal time. After years of her readers asking her for better meal prep strategies and easy recipes, she released 4 weeks of recipes on her blog, Fed and Fit. Since then, tens of thousands of people have made and raved about the series and begged for more. In this book, you'll find 26 weeks of affordable, healthy, delicious meals that your family will love eating and a chapter full of bonus 20-minute meals.
