Date/Time	Progress Note
10/04/2022 9:00 - 9:45am	John reported his feelings of anxiety have reduced in intensity, although he still feels "somewhat anxious pretty much all the time". Spent the session discussing anxiety coping mechanisms including how John can practice replacing anxiety triggers with calming thoughts. John presented neatly and was well groomed. He showed normal awareness of his presenting symptoms. No suicidal ideation present. Compliance with medication is good. Will continue with current treatment plan and weekly sessions.
10/11/2022 9:05 - 9:50am	Session focused on an event at work: John is struggling with feelings of low self-worth, saying he feels like he "isn't good at anything he does". Practiced replacing negative self-talk with positive self-talk. John's feelings of anxiety are associated with low self-esteem. Compliance with medication is good. Insight into anxiety is normal. John will focus on strengthening professional relationships with colleagues. Weekly sessions to continue.
10/18/2022 9:00 - 9:45am	John says he is "enjoying work a bit more". John attended a work event and said it made him feel "better about his relationships". John has demonstrated an improvement with his feelings of low self-esteem. Continue working on this area. John arrived to session promptly and was neatly dressed and well groomed. John's anxiety continues to decrease in intensity. Continue with current treatment plan.
10/25/2022 9:00 - 9:45am	John says he feels "better" but still can't "shake the anxiety feeling". Session focused on identifying causes of anxiety (apart from work). Anxiety may be associated with social relationships. John is struggling to find time to maintain his friendships. John will reach out to friends and organize a social event. Work anxiety has reduced significantly. John is showing improvement. Current treatment plan to continue.
11/01/2022 9:05 - 9:50am	John caught up with a friend and said he opened up about his work-related struggles, saying the conversation made him feel "so much better". John's anxiety at work continues to reduce. He practices replacing negative self-talk with positive self-talk and this appears to be improving his anxiety. Treatment plan will continue, but will reduce therapy sessions to once every fortnight. John will continue focusing on strengthening his relationships with friends, family members, and colleagues.

The only comprehensive interviewing and counseling text grounded in a strong multi-theoretical foundation. Structured around CACREP standards, **Essential Interviewing and Counseling Skills, Second Edition** uniquely encompasses both theory and practice from the perspectives of a diverse array of theoretical schools and practice strategies. While continuing to disseminate counseling fundamentals, the second edition focuses extensively on the acquisition of robust interviewing and counseling skills, including special preparation for the initial assessment and counseling session. It is also distinguished by its integration of cognitive-behavioral and psychodynamic therapy approaches. Throughout the text, it emphasizes the importance of multicultural humility and a multicultural orientation to counseling, including challenging students to examine their own backgrounds and biases. This latest edition also addresses key aspects of telehealth that have come to the fore during the COVID pandemic. The use of case examples throughout highlights multiple theoretical approaches and illustrates how to integrate a wide range of perspectives. With an emphasis on counseling clients from diverse cultural backgrounds, each chapter focuses on strategies for working with varied populations, with an emphasis on intersectionality. The authors consider many forms of diversity, including race, ethnicity, immigration, and country of origin, along with age, gender, sexual orientation, religion, language, and physical and cognitive abilities. Purchase includes digital access for use on most mobile devices or computers. Updates to the instructor's resources include an Instructor's Manual, Power Points, and a new test bank. New to the Second Edition: Includes a new chapter on Theoretical Integration of Approaches in Counseling; New discussions on how to successfully use telehealth for interviewing and counseling; Includes Hot off the Press boxes highlighting cutting-edge research to inform strategies for counseling and professional development. The entire text has been updated with the latest research and clinical references. **Key Features:** Includes an emphasis on multicultural competence and humility throughout the text and features a Spotlight on Culture focusing on specific cultural considerations in each chapter; Provides a balanced, integrated theoretical and practical approach to interviewing and counseling with a focus on skills development; Discusses evidence-based practice, assessment, diagnosis, and when/how to end treatment; Teaches the fundamental skills of empathy, active listening, treatment planning, and developing a strong therapeutic alliance with the client. **Elder Care in Occupational Therapy** Sandra Cutler Lewis, 2003. **Elder Care in Occupational Therapy** has been extensively revised into a new and completely updated second edition.
