Teachers' Messages for Report Cards, Grades K - 8 McDonald, Ruggieri, 2014-12-01 This third edition of our best selling resource makes it easy to add a personal touch to each child's report card and to establish positive and effective interaction between home and school. Revised with updated messages for a wide variety of classroom and playground situations the messages are sorted by topic and are easy to adapt to other communications with parents. It features an easy 6 x 9 take home size and includes 48 pages.

Cognitive Behavioral Therapy in K-12 School Settings Diana Joyce-Beaulieu, Michael L. Sulkowski, 2015-03-11 Features specific highly effective counseling interventions for school age children that can be put to use immediately. Twenty percent of school age children in the United States experience mental health issues each year and cognitive behavioral therapy CBT is one of the most effective and empirically supported interventions to address these needs. This practical quick reference handbook is for mental health professionals in the K-12 school setting who are seeking a hands on guide for practicing CBT. Based on a wealth of research supporting the efficacy of CBT for school age children it features specific interventions that can be applied immediately and is tailored to the needs of busy school psychologists, counselors and social workers. Importantly this book describes how to use CBT within contemporary school based service delivery frameworks such as multitiered systems of support MTSS and response to intervention RtI. Examining the core components of CBT in the context of school based therapy this book offers developmentally appropriate treatment plans targeted for specific issues based on the new DSM 5 criteria as well as tools for measuring progress and outcomes. Case conceptualization examples are provided in addition to contraindications for counseling therapy. The book also explains how to adapt treatment in light of developmental issues and cultural considerations. Case examples, sample reports and a great variety of reproducible handouts also available in digital download format are provided to help school mental health professionals use CBT as part of their regular practice.

KEY FEATURES Presents content that is highly practical and immediately applicable for professionals and trainees. Designed to work within and meet the needs of the specific service delivery environment of schools including MTSS and RtI. Reflects DSM 5 criteria and the Patient Protection and Affordable Care Act. Includes case studies and hands on session outlines, report templates and student activities also available in digital download format.

The Principal's Handbook Cynthia Mathews B.S., M.S., C.A.S., 2020-08-19 The Principal's Handbook is ungraded. All of the routines, practices and policies suggested can be used in all school settings. Specific information can be initiated to serve the grade level of the school environment. This handbook was prepared for the principal to use as a guide to bringing to all personnel in the school a ready reference in regard to current instructional practices and existing routines which will form a part of the policy of the school. All of the documents are meant to be examples which could easily be transformed to meet the needs of any building administrator. This model handbook is a resource to be used by the principal to create a similar booklet reflecting the principal's personal leadership style. The material in this handbook is the nitty gritty of the routines and

policies which are needed to assure a good start AND MAINTAIN A PRODUCTIVE ACADEMIC YEAR
