

Criminal Law - Problem Questions

Jo and Rob are footballers. One day, outside the football club, they were involved in a fierce argument. Jo said to Rob, "You are a real bastard". Rob raised his fist at Jo and said, "Come any closer and I'll punch you." Would your answer be different if Rob had said, "If we weren't outside the club house I would punch you on the nose"?

Introduction

Rob could be charged with common assault.

Common law offence s61 Crimes Act (NSW) 1900 → liable for 2 yrs imprisonment

Common assault can be divided into two categories: battery assault and psychic assault. In this instance, the assault is psychic; therefore the elements of psychic assault need to be considered.

Deal with the 2 scenarios separately:

1. "Come any closer and I'll punch you"
2. "If we weren't outside the club house I would punch you on the nose"

Scenario 1: "Come any closer and I'll punch you"

Actus Reus (Psychic Assault)

D acts so as to induce fear in V that V is about to be physically harmed by D or by another who is to act under D's orders.

- Positive Act
 - Omissions can't be regarded as a positive act: *Fagan* [1969]
 - The courts have a broad definition of what constitutes a positive act and the use of words has been held to constitute a positive act: *Barton v Armstrong* [1969], *Tout* (1987) and *Knight* (1988)

Rob said, "Come any closer and I'll punch you". This would constitute a positive act as this threat can be said to be sufficient to ground fear of imminent violence in Jo's mind (*Barton v Armstrong*)

- State of mind of the victim
 - V must actually have been put in fear of imminent unlawful contact: *Barton v Armstrong* [1969] and *MacPherson v Brown* (1975)
 - V must be aware of the threat of imminent unlawful contact: *Ryan v Kuhl* [1979]

Sample Law Questions And Answers

Daniel F McAuley

Sample Law Questions And Answers:

Louisiana Notary Exam Sample Questions and Answers 2023 Steven Alan Childress, 2023-02-07 PREVIOUS EDITION FOR 2023 keyed to the previous Study Guide's page numbers Look for a newer edition using the current Study Guide Questions and answers in four separate tests plus detailed explanations for each right and wrong answer referencing the latest official state Study Guide help coach students for the difficult exam This independent resource at last takes notary prep to the next level by revealing the tricks of questions and formats tactics for the test and the law behind it More generally it serves as a master class in answering multiple choice questions and tackling tricky exams Louisiana civil law notaries have unmatched functions responsibilities and opportunities but the exam averages a 20% pass rate Candidates need all the help they can get The best prep classes and study groups recommend multiple practice questions to understand the format content and coverage of the actual exams the Secretary of State administers each year Yet even the best workbooks and study aids are costly but barebones in the answers they provide Their questions help but students are left matching answers to page numbers There's no guidance on why they're right and even less about why other good options aren't best This book fills that void with 130 questions and detailed clarifications plus tactics illustrated by specific formats and options Explanations are keyed in detail to the 2023 Fundamentals state study guide Dr Childress author of a best selling supplemental book decoding the state study guide and teacher of Tulane's undergraduate course in notary law explains every twist he can think of that the examiners may try Whether as a recommended supplement to a prep class as spelled out lagniappe to other available workbooks or as a new tool for self study this workbook should become standard fare for anyone contemplating becoming a commissioned notary An affordable addition to the Self Study Sherpa Series from Quid Pro Books **Louisiana Notary Exam Sample Questions and Answers 2022** Steven Alan Childress, 2022-03-19 NEW FOR 2022 Questions and answers in four separate tests plus detailed explanations for each right and wrong answer keyed to the page of the latest official state Study Guide help coach students for the difficult exam This unofficial resource at last takes notary prep to the next level by revealing the tricks of questions and formats tactics for the test and the law behind it Louisiana civil law notaries have unmatched functions responsibilities and opportunities but the exam averages a 20% pass rate Candidates need all the help they can get The best prep classes and study groups recommend multiple practice questions to understand the format content and coverage of the actual exams the Secretary of State administers each year Yet even the best workbooks and study aids are costly but barebones in the answers they provide Their questions help but students are left matching answers to page numbers There's no guidance on why they're right and even less about why other good options aren't best This book fills that void with 130 questions and detailed clarifications plus tactics illustrated by specific formats and options Explanations are keyed in detail to the 2022 Fundamentals state study guide Dr Childress author of a best selling supplemental book decoding the state study guide and teacher of Tulane's undergraduate course in notary law explains every

twist he can think of that the examiners may try Whether as a recommended supplement to a prep class as spelled out lagniappe to other available workbooks or as a new tool for self study this workbook should become standard fare for anyone contemplating becoming a commissioned notary An affordable addition to the Self Study Sherpa Series from Quid Pro Books
