**Subject: Request for Resignation from [Organization Name] Board of Directors**

Dear [Board Member's Name],

I trust this letter reaches you well. Following extensive deliberations among the Board of Directors and in consultation with our legal counsel, we have resolved to request your resignation from the Board of Directors of [Organization Name], effective [Date].

The board has identified several instances of conduct that violate our organization's code of ethics and policies, specifically [provide specific examples of misconduct or policy violations]. Despite numerous discussions and warnings aimed at rectifying these issues, there has not been a noticeable improvement in your conduct.

In alignment with the bylaws of [Organization Name] and the legal advice we have garnered, we believe that requesting your resignation is a requisite measure to uphold the integrity, values, and effective functioning of our organization.

We kindly request that you tender your formal resignation by [Deadline Date]. Should we not receive your resignation by the stipulated date, we will be compelled to initiate formal removal proceedings as outlined in our bylaws and as per the legal framework governing our operations.

We acknowledge and appreciate the contributions you have made during your tenure on the board and hope for an amicable resolution to this matter. Should you have any questions or need further clarification, feel free to contact me directly at [Your Phone Number] or [Your Email].

We appreciate your prompt attention to this serious matter.

Warm regards,

Fundraising for Social Change is the preeminent guide to securing funding with a specific focus on progressive nonprofit organizations with budgets under 5 million. Used by nonprofits nationally and internationally, this book provides a nuts and bolts prescription for building, maintaining, and expanding an individual donor program. Author Kim Klein is a recognized authority on all aspects of fundraising, and this book distills her decades of expertise into fundraising strategies that work. This updated seventh edition includes new information on the impact of generational change, using social media effectively, multi-channel fundraising, and more, including expanded discussion on retaining donors and on legacy giving. Widely considered the bible of grassroots fundraising, this practically grounded guide is an invaluable resource for anyone who has to raise money for important causes. A strong, sustainable fundraising strategy must possess certain characteristics: You need people who are willing to ask and realistic goals; You need to gather data and use it to improve results; and you need to translate your ideas into language donors will understand. A robust individual donor program creates stable, long-term cash flow, and this book shows you how to structure your fundraising appropriately, no matter how tight your initial budget. Develop and maintain a large base of individual donors. Utilize strategies that pay off sooner rather than later. Expand your reach and get your message out to the donor pool. Translate traditional fundraising methods into strategies that work for social justice organizations with little or no front money. Basing your fundraising strategy on the contributions of individual donors may feel like herding cats, but it's the best way for your organization to maintain maximum freedom to pursue the mission that matters. A robust, organized, planned approach can help you reach your goals sooner. Fundraising for Social Change is the field guide for putting it all together to make big things happen.

**Teaching to Change the World** Jeannie Oakes, Martin Lipton, Lauren Anderson, Jamy Stillman, 2015-11-17 This is an up-to-the-moment, engaging, multicultural introduction to education and teaching and the challenges and opportunities they present. Together, the four authors bring a rich blend of theory and practical application to this groundbreaking text. Jeannie Oakes is a leading education researcher and former director of the UCLA teacher education program. Martin Lipton is an education writer and consultant and has taught in public schools for 31 years. Lauren Anderson and Jamy Stillman are former public school teachers now working as teacher educators. This unique, comprehensive, foundational text considers the values and politics that pervade the U.S. education system, explains the roots of conventional thinking about schooling and teaching, asks critical questions about how issues of power and privilege have shaped and continue to shape educational opportunity, and presents powerful examples of real teachers working for equity and justice. Taking the position that a hopeful democratic future depends on ensuring that all students learn, the text pays particular attention to inequalities associated with race.
