Evangelist Marketing Alex L. Goldfayn,2012-01-03 In Evangelist Marketing Alex Goldfayn argues that technology companies succeed in spite of their marketing not because of it He says that if consumer tech makers ceased all marketing activity today they would not see a significant decline in sales In this book Alex presents why the current state of overly technical features oriented tech marketing branding communications and public relations is costing the industry billions of dollars easy money that s voluntarily being left on the table Then he lays out a step by step system for creating intensely loyal brand evangelists based on deep consumer insights and simple emotional language Evangelist Marketing is written for consumer tech companies big and small from PC manufacturers to Web based services It s also sure to improve the work of

their marketing and public relations agencies Fortune ,2003 Global Competitive Strategy Daniel F. Spulber,2007-07-02 Globalization has fundamentally changed the game of business Strategic frameworks developed for the analysis of purely domestic business necessarily fall short in the international business context Managers and business students require alternative approaches to understand and cope with these far reaching changes We must learn to think globally in order to succeed Global Competitive Strategy shows how we can do this by providing a unique set of strategic tools for international business Such tools include the star analysis that allows strategy makers to integrate geographic information with market information about the global business environment Also introduced is the global value connection that shows managers how to account for the gains from trade and the costs of trade Aimed at MBA students taking courses in international strategy consultants and practising managers with responsibility for strategic development this 2007 book offers a comprehensive strategic framework for gaining competitive advantage in the global marketplace
