[The Great Indian Phone Book](#) Assa Doron, Robin Jeffrey, 2013-04-02 In 2001 India had 4 million cell phone subscribers Ten years later that number had exploded to more than 750 million Over just a decade the mobile phone was transformed from a rare and unwieldy instrument to a palm sized affordable staple taken for granted by poor fishermen in Kerala and affluent entrepreneurs in Mumbai alike The Great Indian Phone Book investigates the social revolution ignited by what may be the most significant communications device in history one which has disrupted more people and relationships than the printing press wristwatch automobile or railways though it has qualities of all four In this fast paced study Assa Doron and Robin Jeffrey explore the whole ecosystem of the cheap mobile phone Blending journalistic immediacy with years of field research experience in India they portray the capitalists and bureaucrats who control the cellular infrastructure and wrestle over bandwidth rights the marketers and technicians who bring mobile phones to the

masses and the often poor village bound users who adapt these addictive and sometimes troublesome devices to their daily lives Examining the challenges cell phones pose to a hierarchy bound country the authors argue that in India where caste and gender restrictions have defined power for generations the disruptive potential of mobile phones is even greater than elsewhere The Great Indian Phone Book is a rigorously researched multidimensional tale of what can happen when a powerful and readily available technology is placed in the hands of a large still predominantly poor population Daily Graphic Yaw Boadu-Ayeboafah,2006-10-10 **Amateur Radio** ,1988 Secrets of a Successful Mail Order Guru Ron Tepper,1988-01-18 Recounts the story of one of America s greatest mail order geniuses and points out by his example the most valuable lessons for aspiring entrepreneurs Included here are detailed explanations of his famous success stories such as the placement of a 44 00 ad in the Wall Street Journal that turned into a 15 million a year business and his artificial diamonds direct mail campaign Describes the 12 hats of direct marketing how to pick products that will sell and psychological and motivational aspects of the direct mail buyer **CQ** ,1988 **Forged in War** R.
