Notes From Proclaim 2014:

Development Delusions and Contradictions David Sims, 2022-12-12 This book analyses the shortcomings of the Western development aid programme Through exploring the evolution of aid over more than seven decades development is examined as an industry with a variety of motives and actors The driving forces and dynamics in the relationship between aid and economic development are highlighted in relation to faulty development structures and misaligned aims With a particular focus on Egypt radical questions are posed on how global aid and development can be improved including how it can respond to the COVID 19 pandemic This book aims to present an alternative aid framework to help overcome the dysfunctionality of the current international development system It will be of interest to researchers and policymakers working within development economics and development policy

Postfeminism in Context Margaret Henderson, Anthea Taylor, 2019-10-21 Postfeminism in Context studies the representation of women in Australian popular culture over the past three decades to locate postfeminism in a specific time and place Margaret Henderson and Anthea Taylor argue that postfeminism as a critical term has been too often deployed in ways that fail to account for historical and cultural specificity This book analyses Australian popular culture chick lit novels dramedy television shows women's magazines YouTube beauty vlogs self help manuals and newspapers to reveal the tensions contradictions and ambiguities that have always been constitutive of postfeminism including in Australia Examining how these popular forms intervene in dominant conversations about contemporary Australian femininities Postfeminism in Context maps the ways in which various aspects of Australia's history and national identity have shaped its postfeminism While Henderson and Taylor identify some of the limited postfeminist tropes and patterns of representation evident in comparable locales they also find that Australian popular culture has responded to feminism in a much more hopeful way Adding some much needed cultural specificity to the ongoing debate around this loaded term Postfeminism in Context is essential reading for those interested in Australian popular culture feminism and the gendered politics of representation

Planting Letters and Weaving Lines Jonathan Homrighausen, 2022-11-17 The illuminations of The Saint John's Bible have delighted many with their imaginative takes on Scripture But many struggle to appreciate the calligraphy more deeply than merely noting its beauty Does calligraphy mean something How is it beautiful This book written by a biblical scholar who has spent years working with this Bible shows how calligraphic art powerfully interplays visual form textual content and creative process Homrighausen proposes five lenses for this art form gardens weaving pilgrimage touching and enfleshing words Each of these lenses springs from the poetry of the Song of Songs its illuminations in The Saint John's Bible and medieval ways of understanding the scribe's craft While these metaphors for calligraphic art draw from this particular illuminated Bible this book is aimed at all lovers of calligraphy art and sacred text

The Oxford Handbook of the Prophets Carolyn J. Sharp, 2016 This volume engages the cultural norms and theological convictions of ancient Israel in the shadow of the Egyptian Babylonian and Persian empires Essays explore

ancient Near Eastern historical contexts interpret prophetic narratives and poetry offer feminist materialist and postcolonial readings and more Indispensable for scholars and students of the prophets Code of Federal Regulations ,2013 *The Psalms of David, with brief notes by B.W. Randolph* Berkeley William Randolph,1901 Code of Federal Regulations United States. President,2015 Special edition of the Federal register **Title 3 The President (Revised as of January 1, 2014)** Office of The Federal Register, Enhanced by IntraWEB, LLC,2014 The Code of Federal Regulations Title 3 contains the codified Federal laws and regulations that are in effect as of the date of the publication pertaining to Presidential Documents and the Executive Office of the President *The Tail Wags the Dog* Efraim Karsh,2015-08-11 The continuing crisis in Syria has raised questions over the common perception of Middle Eastern affairs as an offshoot of global power politics To Western intellectuals foreign policy experts and politicians empire and imperialism are categories that apply exclusively to Europe and more recently to the United States of America As they see it Middle Eastern history is the product of its unhappy interaction with these powers Forming the basis of President Obama s much ballyhooed new beginning between the United States and Muslims around the world this outlook is continuing to shape crucial foreign policy among Western governments but in these pages Efraim Karsh propounds a radically different interpretation of Middle Eastern experience He argues that the Western view of Muslims and Arabs as hapless victims is absurd On the contrary modern Middle Eastern history has been the culmination of long existing indigenous trends Great power influences however potent have played a secondary role constituting neither the primary force behind the region s political development nor the main cause of its notorious volatility Karsh argues it is only when Middle Eastern people disown their victimization mentality and take responsibility for their actions and their Western champions drop their condescending approach to Arabs and Muslims that the region can at long last look forward to a real spring **The holy Bible, authorized version, with explanatory notes by T. Scott** Thomas Scott,1830 **Making Contact** Sarah Scoles,2017-07-04 For anyone who has ever looked up at the night sky and wondered Are we alone A brilliant examination of the science behind the search for extraterrestrial intelligence and its pioneer Jill Tarter the inspiration for the main character in Carl Sagan s Contact Jill Tarter is a pioneer an innovator an adventurer and a controversial force At a time when women weren t encouraged to do much outside the home Tarter ventured as far out as she could into the three Kelvin cold of deep space And she hasn t stopped investigating a subject that takes and takes without giving much back Today her computer s screensaver is just the text SO ARE WE ALONE This question keeps her up at night In some ways this is the question that keep us all up at night We have all spent dark hours wondering about our place in it all pondering our aloneness both terrestrial and cosmic Tarter s life and her work are not just a quest to understand life in the universe they are a quest to understand our lives within the universe No one has told that story her story until now It all began with gazing into the night sky All those stars were just distant suns were any of them someone else s sun Diving into the science philosophy and politics of SETI searching for extraterrestrial intelligence Sarah Scoles reveals the fascinating

figure at the center of the final frontier of scientific investigation This is the perfect book for anyone who has ever looked up at the night sky and wondered if we are alone in the universe **Dictionary of Paul and His Letters** InterVarsity Press,2023-04-11 In this thoroughly revised and updated edition of a classic reference work topics like Christology justification and hermeneutics receive careful treatment by trusted specialists New topics like politics patronage and different cultural perspectives expand the volume s breadth and usefulness for scholars pastors and students today

Natural Resource Policy Frederick Cabbage,Jay O'Laughlin,M. Nils Peterson,2016-07-12 Natural resource policies provide the foundation for sustainable resource use management and protection Natural Resource Policy blends policy processes history institutions and current events to analyze sustainable development of natural resources The book s detailed coverage explores the market and political allocation and management of natural resources for human benefits as well as their contributions for environmental services Wise natural resource policies that promote sustainable development not senseless exploitation promise to improve our quality of life and the environment Public or private policies may be used to manage natural resources When private markets are inadequate due to public goods or market failure many policy options including regulations education incentives government ownership and hybrid public private policy instruments may be crafted by policy makers Whether a policy is intended to promote intensive management of natural resources to enhance sustained yield or to restore degraded conditions to a more socially desirable state this comprehensive guide outlines the ways in which natural resource managers can use their technical skills within existing administrative and legal frameworks to implement or influence policy Micah Bob Becking,2023-01-01 A new translation and commentary on the biblical book of Micah that proposes a convincing new theory of its composition history While the biblical book of Micah is most famous for its images of peace swords forged into to plowshares spears turned into pruning hooks and its passages of prophetic hope the book is largely composed of prophecies of ruin The historical Micah who likely lived in the late eighth century BCE is the first recorded prophet to predict the fateful fall of Jerusalem and he also foretells the destruction of the regions of Samaria and Judah in addition to the more well known promises of Judah s eventual restoration Bob Becking translates the Hebrew text anew and illuminates the book s most important elements including its literary features political context and composition history Drawing on ancient Near Eastern comparative evidence archaeological notes and inscriptions Becking surveys the debates surrounding the book s interpretation and argues that it be regarded as three separate source texts the early first chapter a large middle section containing a proto apocalyptic alternating prophetic futurology collected and molded by a later redactor and an added section advocating for legal reform under Josiah US Foreign Policy and Global Standing in the 21st Century Efraim Inbar,Jonathan Rynhold,2016-01-13 This book examines US foreign policy and global standing in the 21st Century The United States is the most powerful actor in world politics today Against this backdrop the present volume examines how the foreign policies pursued by Presidents George W Bush and Barack Obama have affected elite and public

perceptions of the United States By examining America's standing from the perspective of different actors from across various regions including China Russia Latin America and the Middle East while also assessing how these perceptions interact with America's own policies this book presents a fresh interpretation of America's global standing In doing so the volume evaluates how these perceptions affect the realities of US power and what impact this has on moulding US foreign policy and the policies of other global powers A number of books address the question of which grand strategy the United States should adopt and the issue of whether or not America is in relative decline as a world power However the debate on these issues has largely been set against the policies of the Bush administration By contrast this volume argues that while Obama has raised the popularity of America since the low reached by Bush America's credibility and overall standing have actually been damaged further under President Obama This book will be of much interest to students of US foreign policy US national security strategic studies Middle Eastern politics international relations and security studies generally

The World Disorder Luiz Alberto Moniz Bandeira, 2019-01-23 This book offers a historical analysis of the geopolitical and geoeconomic competition between the USA and Russia which has recently heated up again due to the eastward expansion of NATO The analysis departs from an exploration of the USA's foreign policy and geopolitical ambitions by illustrating the influence of Wall Street and the military industrial complex on the country's political decision making The historical review covers a wide timespan from the Second World War and the birth of NATO to the wars against Iraq and Afghanistan to the rebellions that erupted in Eurasia Northern Africa and the Middle East in the 2010s as well as the wars in the Ukraine and in Syria By doing so it reveals the influence of US neocons the US intelligence services and the military complex on the Arab Spring the Color Revolutions and the armed conflicts in Ukraine and Syria Ultimately the book depicts a new era of worldwide instability and disorder dominated by violence and arbitrariness

The Individual After Modernity Mira Marody, 2020-10-29 Moving beyond the individualisation paradigm in sociological theory this book develops an approach to the analysis of human activities and the social phenomena produced by them that centres on the processes that generate coordinated behaviours among individuals Emphasising the relational and processual character of social phenomena as well as the importance of a broader cultural and historical context for analysing them the author questions the view of contemporary society that sees individuals acting in a context in which social bonds are dissolving and unveils the rationale hidden behind the chaos of everyday activities Through an analysis of the continued importance of cooperation and the consequent emergence in society of various kinds of communities this volume examines the changing character of social ties An overview of transformation of social bonds and the intensification of mutual influences among individuals as they seek to address social dilemmas in new contexts *The Individual after Modernity* will appeal to social scientists with interests in social theory

CSR for Purpose, Shared Value and Deep Transformation Virginia Munro, 2020-09-14 *CSR for Purpose Shared Value and Deep Transformation* focuses on a new type of CSR which includes entrepreneurial innovation sustainable goals

and shared and integrated value in a systems oriented approach for deep transformation All topics are backed by case studies academic literature and future research opportunities

Injustice Daniel Dorling, 2015-06-03 We are living in the most remarkable and dangerous times Globally the richest 1% have never held a greater share of world wealth while the share of most of the other 99% has collapsed in the last five years In this fully rewritten and updated edition of Injustice Dorling offers hope of a more equal society

Secondary Cities and Development Lochner Marais, Etienne Nel, Ronnie Donaldson, 2016-05-20 The role secondary cities play in the global space economy and national urban hierarchies is increasingly receiving attention from scholars and international agencies most notably the Cities Alliance Secondary Cities and Development considers the role of secondary cities through the lens of South Africa a middle income country with characteristics of both the developed and developing worlds This book brings together a broad overview of international literature on secondary cities in South Africa and mirrors them against global experience Chapters emphasize the importance of secondary cities as regional services areas their potential roles in rural development the vulnerabilities to which they are prone and their significant potential By means of review six South African case studies and an assessment of contemporary policy approaches towards these cities this unique volume provides insight into a spectrum of globally significant challenges This book would be of interest to academics and policy makers working in urban studies or regional development
