Personal Devotional Guide 2013:

Domestic Devotions in Medieval and Early Modern Europe Salvador Ryan, 2020-05-28 Domestic devotion has become an increasingly important area of research in recent years with the publication of a number of significant studies on the early modern period in particular This Special Issue aims to build on these works and to expand their range both geographically and chronologically This collection focuses on lived religion and the devotional practices found in the domestic settings of late medieval and early modern Europe More particularly it investigates the degree to which the experience of personal or familial religious practice in the domestic realm intersected with the more public expression of faith in liturgical or communal settings Its broad geographical range spanning northern southern central and eastern Europe includes practices related to Christianity Judaism and Islam This Special Issue will be of interest to historians art historians medievalists early modernists historians of religion anthropologists and theologians as well as those interested in the history of material religious culture It also offers important insights into research areas such as gender studies histories of the emotions and histories of the senses

The Bhagavad-Gita for the Modern Reader M. V. Nadkarni, 2019-03-20 What is the Bhagavad Gita Is it just a religious text When was it composed How relevant is it to the modern world This book answers these foundational questions and more It critically examines the Bhagavad Gita in terms of its liberal humanist and inclusive appeal bringing out its significance for both present times and novel applications The author elaborates the philosophy underlying the text as well as its ethical and spiritual implications He also responds to criticisms that have been levelled against the text by Ambedkar D D Kosambi and more recently Amartya Sen With additional material including chapter summaries of the Bhagavad Gita the second edition of the volume proposes new ways of utilising the text in diverse fields such as business and management and scientific research Eclectic and accessible this work will be of interest to scholars of philosophy religion history business and management studies as well as the general reader

The Upper Room Disciplines 2013 Upper Room Books, 2007-08 Offers daily Bible readings and reflections that can develop the practice of spending regular devotional time with scripture

The Oxford Handbook of Early Modern English Literature and Religion Andrew Hiscock, Helen Wilcox, 2017-07-03 This pioneering Handbook offers a comprehensive consideration of the dynamic relationship between English literature and religion in the early modern period The sixteenth and seventeenth centuries were the most turbulent times in the history of the British church and perhaps as a result produced some of the greatest devotional poetry sermons polemics and epics of literature in English The early modern interaction of rhetoric and faith is addressed in thirty nine chapters of original research divided into five sections The first analyses the changes within the church from the Reformation to the establishment of the Church of England the phenomenon of puritanism and the rise of non conformity The second section discusses ten genres in which faith was explored including poetry prophecy drama sermons satire and autobiographical writings The middle section focuses on selected individual authors among them Thomas More Christopher

Marlowe John Donne Lucy Hutchinson and John Milton Since authors never write in isolation the fourth section examines a range of communities in which writers interpreted their faith lay and religious households sectarian groups including the Quakers clusters of religious exiles Jewish and Islamic communities and those who settled in the new world Finally the fifth section considers some key topics and debates in early modern religious literature ranging from ideas of authority and the relationship of body and soul to death judgment and eternity The Handbook is framed by a succinct introduction a chronology of religious and literary landmarks a guide for new researchers in this field and a full bibliography of primary and secondary texts relating to early modern English literature and religion

IDIOT LOVE and the Elements of Intimacy David Stromberg, 2020-05-05 This book turns our search for intimacy on its head suggesting that our way to creativity in love may be through idiocy The book takes its readers on a journey through the work of Plato and Melanie Klein in theorizing the dynamics of intimacy while exploring some of the paradoxical aspects of love in works by Fyodor Dostoevsky and French filmmaker Catherine Breillat Revisiting core concepts of how we think about relationships the book lays out a model for relational breakdown the idiot lovecycle in which we are constantly in the flux between seeing ourselves and seeing the other Effecting close readings of literary philosophical and psychoanalytical sources the book draws on parallels between these fields of inquiry while tracing their shared intellectual genealogy suggesting that the tension between Narcissus and Cassandra with its inherent conflicts is also the space through which love emerges from intimacy

Crusades and Memory Megan Cassidy-Welch, Anne Lester, 2017-10-02 Crusading was a religious movement involving papal authorization the incentive of remission of sins pious motivation on behalf of the individual and the justification of holy war Much recent historiography in this area has focused on resolving the questions of what a crusade was and why people went on them But crusading became a cultural and social phenomenon that changed across time and geographical space In turn crusading was shaped by the ways specific crusades and their participants were remembered in specific historical contexts Moreover crusade memory had profound effects on the cultivation of family lineage kinship ties national and regional identity and religious orthodoxy Integrating memory into crusades scholarship thus offers new ways of exploring the aftermath of war the construction of cultural and social memory the role of women and families in this process and the crusading movement itself This book explores memory as a methodological means of understanding the crusades It engages with theories of communicative memory social and cultural memory war commemoration and historical processes of remembering Contributions explore the variety of cultural forms used in cultivating crusade memory Material visual liturgical and textual objects are all reflective of crusade culture and the process of crafting its memory and the analysis of such sources is of particular interest This publication furthers new trends in crusade scholarship which understand the crusades as a broad religious movement that called upon and developed within a wider cultural framework than previously acknowledged This book was originally published as a special issue of the Journal of Medieval History

Epigram, Art, and Devotion in Later

Byzantium Ivan Drpić, 2016-07-21 This book explores the nexus of art personal piety and self representation in the last centuries of Byzantium Spanning the period from around 1100 to around 1450 it focuses upon the evidence of verse inscriptions or epigrams on works of art Epigrammatic poetry Professor Drpi argues constitutes a critical if largely neglected source for reconstructing aesthetic and socio cultural discourses that informed the making use and perception of art in the Byzantine world Bringing together art historical and literary modes of analysis the book examines epigrams and other related texts alongside an array of objects including icons reliquaries ecclesiastical textiles mosaics and entire church buildings By attending to such diverse topics as devotional self fashioning the aesthetics of adornment sacred giving and the erotics of the icon this study offers a penetrating and highly original account of Byzantine art and its place in Byzantine society and religious life

Before Theological Study Harry O. Maier, Ashley John Moyse, Richard R. Topping, 2021-09-16 Before Theological Study will orient students to the aptitudes knowledge spirituality imagination and dispositions that are appropriate to thoughtful engaged and generous theological study The book has the character of a modern theological enchiridion handbook for engagement with the disciplines that are a part of preparation for ministry It is characterized by the vision of the Vancouver School of Theology to prepare students for thoughtful engaged and generous Christian ministry practiced in a way that is alert to the multi religious contexts and the colonial legacy of mainline Christianity The essays in this handbook are written in a variety of registers yet each remains accessible to the newcomer or potential newcomer to theological education The book is not rooted in a unified orthodoxy but expresses the bandwidth of contemporary theological viewpoints

Eclecticism in Late Medieval Visual Culture at the Crossroads of the Latin, Greek, and Slavic Traditions Maria Alessia Rossi, Alice Isabella Sullivan, 2021-11-22 This volume builds upon the new worldwide interest in the global Middle

Ages It investigates the prismatic heritage and eclectic artistic production of Eastern Europe between the fourteenth and seventeenth centuries while challenging the temporal and geographical parameters of the study of medieval Byzantine post Byzantine and early modern art Contact and interchange between primarily the Latin Greek and Slavic cultural spheres resulted in local assimilations of select elements that reshaped the artistic landscapes of regions of the Balkan Peninsula the Carpathian Mountains and further north The specificities of each region and in modern times politics and nationalistic approaches have reinforced the tendency to treat them separately preventing scholars from questioning whether the visual output could be considered as an expression of a shared history The comparative and interdisciplinary framework of this volume provides a holistic view of the visual culture of these regions by addressing issues of transmission and appropriation as well as notions of cross cultural contact while putting on the global map of art history the eclectic artistic production of Eastern Europe

readings and topical and thematic lists will facilitate in depth research Johannine Belief and Graeco-Roman Devotion Chris Seglenieks,2020-09-29 In this volume Christopher Seglenieks offers a study of the complex meaning in John s Gospel of genuine belief arguing it includes cognitive relational ethical ongoing and public aspects He compares it with Graeco Roman religious practices and highlights the distinctiveness of Johannine belief whose features are motivated by John s picture of Jesus **Animation between Magic, Miracles and Mechanics** Hans Henrik Lohfert Jørgensen,Laura Katrine Skinnebach,Henning Laugerud,2023-08-18 When it comes to images we are all animists Deep down we all know that images can at least potentially be alive or come to life Nowadays we may tend to rationalize our ingrained animism and explain it away as a mere projection only happening in the space between image and viewer In the Middle Ages however imagery made enthusiastic use of magical miraculous and mechanical means of animation empowered and ensouled by both natural and supernatural principles of life This animist book investigates magic miracles and mechanics as motors of animation and seeks to understand the living image in solidarity with medieval experience rather than dismissive alienation of it Effigies did bleed weep or lactate either through divine intervention or through hydraulic machinery Statues did move or speak either as demonic oracles or as talking heads with implanted speaking tubes Marvels made by magic or by miracles were real as real as the wonders of physical mechanics moving bodily matter We just need to look and listen more carefully to comprehend these fluid realities even when especially when they challenge our received worldview Animation was by no means uncontested or uncontradicted but even its stiffest critics knew that gods and demons could intervene in inanimate matter to set it in motion to speak in tongues and exude the liquids of life **New Light From Heaven** Jesus Christ,Virgin Mary,2017-01-17 Messages From Heaven About the Future of Our World Mary God s Final Preacher God is always trying to lead man away from self destruction He sends his preachers He sends his teachers But these are snuffed out Their words are not listened to and their invitations are rejected So finally he has sent me I am his final teacher his final prophet I am his last opportunity to change the course of history There is no one behind me no other message no other signs than the ones that I will give When I tell the world that it must listen to me I am not speaking from a selfish and arrogant spirit I am speaking as one who sees the destruction the hopelessness of mankind if my words are not heeded **Devotion to the Administrative State** Mona Oraby,2024-03-26 Why the pursuit of state recognition by seemingly marginal religious groups in Egypt and elsewhere is a devotional practice Over the past decade alone religious communities around the world have demanded state recognition exemption accommodation or protection They make these appeals both in states with a declared religious identity and in states officially neutral toward religion In this book Mona Oraby argues that the pursuit of official recognition by religious minorities amounts to a devotional practice Countering the prevailing views on secularism Oraby contends that demands by seemingly marginal groups to have their religious differences recognized by the state in fact assure communal integrity and coherence over time Making her case she analyzes more than fifty years of administrative judicial trends

theological discourse and minority claims making practices focusing on the activities of Coptic Orthodox Christians and Bah in modern and contemporary Egypt Oraby documents the ways that devotion is expressed across a range of sites and sources including in lawyers offices administrative judicial verdicts televised media and film and invitation only study sessions She shows how Egypt s religious minorities navigated the political and legal upheavals of the 2011 uprising and now persevere amid authoritarian repression In a Muslim majority state they assert their status as Islam s others finding belonging by affirming their difference and difference Oraby argues is the necessary foundation for collective life Considering these activities in light of the global history of civil administration and adjudication Oraby shows that the lengths to which these marginalized groups go to secure their status can help us to reimagine the relationship between law and religion

Religion in Sixteenth-Century Mexico Cheryl Claassen, Laura Ammon, 2022-02-10 Religion in Sixteenth Century Mexico explores the development of religion as transferred from Spain to Tenochtitlan The religious world of both Aztecs and Spanish Catholics at time of encounter was organized through large and small scale community family and personal devotions Devotion expressed through cults was the single most salient aspect in the transfer of Catholicism to New World people This book highlights the role that ideas such as afterlife apocalypticism iconoclasm Marianism resistance and saints played in the emergence of Mexican Catholicism in the sixteenth century The larger Atlantic world context as seen in the regions of Iberia Anahuac and New Spain or central Mexico from Zacatecas to Oaxaca is explored in detail Beginning with an extensive historical essay to contextualize the pre contact period the bulk of this volume contains 118 separate keywords each with three comparative essays examining Aztec and Catholic religious practices before and after contact *Christian Pilgrimage, Landscape and Heritage* Avril Maddrell, Veronica della Dora, Alessandro Scafi, Heather Walton, 2014-12-05 This volume provides a theoretically and empirically grounded study of the significance of landscape in the experience of Christian pilgrimage across different denominations and its intersection with cultural heritage and tourism The book focuses on pilgrimages to Meteora Greece Subiaco Italy and the Isle of Man These are each sites of scenic beauty that boast a rich heritage associated respectively to Greek Orthodox Roman Catholic and Ecumenical Protestant denominations The study discusses different Christian theologies practices and perspectives on the nature and the purpose of pilgrimage in these traditions It draws on participant experiential accounts archival research and interviews with clergy laity and local stakeholders Special attention is paid to the themes of sacred space and practice aesthetics mobilities embodiment and performance emotional geographies theology cultural heritage consumption and commodification and the pilgrim tourist continuum **ECKM 2019 20th European Conference on Knowledge Management 2 VOLS** Dr. Eduardo Tomé, 2019-09-05 **Coming of Age in Jewish America** Patricia Keer Munro, 2016-05 The Jewish practice of bar mitzvah dates back to the twelfth century but this ancient cultural ritual has changed radically since then evolving with the times and adapting to local conditions For many Jewish American families a child s bar mitzvah or bat mitzvah is both a major social

event and a symbolic means of asserting the family's ongoing connection to the core values of Judaism. *Coming of Age in Jewish America* takes an inside look at bar and bat mitzvahs in the twenty-first century, examining how the practices have continued to morph and exploring how they serve as a sometimes shaky bridge between the values of contemporary American culture and Judaic tradition. Interviewing over 200 individuals involved in bar and bat mitzvah ceremonies, from family members to religious educators to rabbis, Patricia Keer Munro presents a candid portrait of the conflicts that often emerge and the negotiations that ensue. In the course of her study, she charts how this ritual is rife with contradictions: it is a private family event and a public community activity, and for the child, it is both an educational process and a high-stakes performance. Through detailed observations of Conservative, Orthodox, Reform, and independent congregations in the San Francisco Bay Area, Munro draws intriguing, broad-reaching conclusions about both the current state and likely future of American Judaism. In the process, she shows not only how American Jews have forged a unique set of bar and bat mitzvah practices but also how these rituals continue to shape a distinctive Jewish American identity.
