Personal Identity Paperback:

I Jonathan Glover,1989 **Personal Identity** ,1990 Discover Your Identity Jennifer Lynn Adams,2023-09-30

Discover Your Identity book 1 of the Identity series takes the reader on a journey to discover the core elements of their identity which includes their unique gifts talents and purpose in life Jennifer shares her own special journey to discovering her identity Each chapter covers a different topic of identity At the end of each chapter are questions that prompt the discovery process **Personal Identity** Sydney Shoemaker,Richard Swinburne,1984-01-01 What does it mean to say that this person at this time is the same as that person at an earlier time If the brain is damaged or the memory lost how far does a person s identity continue In this book two eminent philosophers develop very different approaches to the problem

Identity, Personal Identity, and the Self John Perry,2002 This volume collects a number of Perry s classic works on personal identity as well as four new pieces The Two Faces of Identity Persons and Information Self Notions and The Self and The Sense of Identity Perry s Introduction puts his own work and that of others on the issues of identity and personal identity in the context of philosophical studies of mind and language over the past thirty years **Personal Identity and Buddhist**

Philosophy Mark Siderits,2017-05-15 Since the publication of Mark Siderits important book in 2003 much has changed in the field of Buddhist philosophy There has been unprecedented growth in analytic metaphysics and a considerable amount of new work on Indian theories of the self and personal identity has emerged Fully revised and updated and drawing on these changes as well as on developments in the author s own thinking Personal Identity and Buddhist Philosophy second edition explores the conversation between Buddhist and Western Philosophy showing how concepts and tools drawn from one philosophical tradition can help solve problems arising in another Siderits discusses afresh areas involved in the philosophical investigation of persons including vagueness and its implications for personal identity recent attempts by scholars of Buddhist philosophy to defend the attribution of an emergentist account of personhood to at least some Buddhists and whether a distinctively Buddhist antirealism can avoid problems that beset other forms of ontological anti foundationalism **Personal Identity** Harold Noonan,2019-02-21 Who am I What is a person What does it take for a person

to persist from one time to another What is the relation between the mind and the body These are just some of the questions that constitute the problem of personal identity one of the oldest and most fundamental of philosophical questions Personal Identity Third Edition is a clear and comprehensive introduction to these questions and more Harold Noonan places the problem of personal identity in the context of more general puzzles about identity discussing the major historical theories and more recent debates The book also includes essential historical and philosophical background to the problem of personal identity as found in the arguments of Locke Reid and Hume among others The third edition of Personal Identity has been thoroughly reviewed in light of advances in the latest literature and research This includes significant revision to the important problems of the simple and complex distinction and its relation to reductionism temporal parts and the distinction

between perdurance and endurance theorists Noonan also includes an up to date examination of personal identity and memory and personal identity and animalism particularly the work of Shoemaker Parfit Olson and hybrid theorists Including helpful chapter summaries and annotated further reading at the end of each chapter *Personal Identity* Third Edition is essential reading for all students of philosophy of mind and metaphysics as well as students interested in ethics *Identity, Personal Identity, and the Self* John Perry, 2002-09-13 This volume collects a number of Perry's classic works on personal identity as well as four new pieces The Two Faces of Identity Persons and Information Self Notions and The Self and The Sense of Identity Perry's Introduction puts his own work and that of others on the issues of identity and personal identity in the context of philosophical studies of mind and language over the past thirty years **Handbook of Self and Identity, Second Edition** Mark R. Leary, June Price Tangney, 2011-12-21 Widely regarded as the authoritative reference in the field this volume comprehensively reviews theory and research on the self Leading investigators address this essential construct at multiple levels of analysis from neural pathways to complex social and cultural dynamics Coverage includes how individuals gain self awareness agency and a sense of identity self related motivation and emotion the role of the self in interpersonal behavior and self development across evolutionary time and the lifespan Connections between self processes and psychological problems are also addressed New to This Edition Incorporates significant theoretical and empirical advances Nine entirely new chapters Coverage of the social and cognitive neuroscience of self processes self regulation and health self and emotion and hypoegeic states such as mindfulness **The Early Modern Subject** Udo Thiel, 2011-09-29 Udo Thiel presents a critical evaluation of the understanding of self consciousness and personal identity in early modern philosophy He explores over a century of European philosophical debate from Descartes to Hume and argues that our interest in human subjectivity remains strongly influenced by the conceptual framework of early modern thought

Personal Identity, the Self, and Ethics F. Santos, Santiago Sia, 2007-08-16 Going beyond the controversy surrounding personhood in non philosophical contexts this book defends the need for a credible philosophical conception of the person Engaging with John Locke Derek Parfit and P F Strawson the authors develop an original philosophical anthropology based on the work of Charles Hartshorne and A N Whitehead Personal Identity & Fractured Selves Debra J. H. Matthews, Hilary Bok, Peter V Rabins, 2009-10-12 In this anthology noted neurologists and philosophers explore the concept of personal identity and the ethics of treating brain disease and injury When an individual's personality changes radically because of disease or injury should this changed individual be treated as the same person *Personal Identity and Fractured Selves* explores this important question from a variety of perspectives Its contents represent the first formal collaboration between the Brain Sciences Institute and the Berman Institute of Bioethics both at the Johns Hopkins University Rapid advances in brain science are expanding knowledge of human memory emotion and cognition and pointing the way toward new approaches for the prevention and treatment of devastating illnesses and disabilities Through case studies of Alzheimer

disease frontotemporal dementia deep brain stimulation and steroid psychosis the contributors highlight relevant ethical and social concerns that clinicians researchers and ethicists are likely to encounter Contributors Samuel Barondes M D University of California San Francisco David M Blass M D Johns Hopkins University School of Medicine Patrick Duggan A B Johns Hopkins Berman Institute of Bioethics Ruth R Faden Ph D M P H Johns Hopkins Berman Institute of Bioethics Michael S Gazzaniga Ph D University of California Santa Barbara Guy M McKhann M D Johns Hopkins University School of Medicine John Perry Ph D Stanford University Carol Rovane Ph D Columbia University Alan Regenberg M Be Johns Hopkins Berman Institute of Bioethics Marya Schechtman Ph D University of Illinois at Chicago Maura Tumulky Ph D Colgate University

Personal Identity Paperback Introduction

In today's digital age, the availability of Personal Identity Paperback books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Personal Identity Paperback books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Personal Identity Paperback books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Personal Identity Paperback versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Personal Identity Paperback books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Personal Identity Paperback books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Personal Identity Paperback books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-

profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Personal Identity Paperback books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Personal Identity Paperback books and manuals for download and embark on your journey of knowledge?
