Rodríguez, 2015-06-04 This book discusses current market based educational discourses and how they have undermined the notion of the public in public education by allowing private visions of education to define the public democratic imagination Against this discouraging background this text embraces Freire's understanding of hope as an ontological need and calls for finding new public grounds for our public imagination It further articulates Freire's mandate to unveil historically concrete practices to sustain democratic educational visions no matter how difficult this task may be by 1 presenting an indepth description of the pedagogies and curriculums of eleven schools across historical and geographical locations that have worked or are still working with disenfranchised communities and that have publicly hoped for a better future for their students and by 2 reflecting on how the stories of these schools offer us new opportunities to rethink our own pedagogical commitment to public visions of education To promote this reflection this book offers the notion of publicly imagined public education as a conceptual tool to help understand the historical and discursive specificity of schools hopes and to re claim public schools as legitimate sites of public imagination Samuel Johnson Lawrence Lipking, 2009-07-01 He was a servant to the public a writer for hire He was a hero an author adding to the glory of his nation But can a writer be both hack and hero The career of Samuel Johnson recounted here by Lawrence Lipking proves that the two can be one And it further proves in its enduring interest for readers that academic fashions today may be a bit hasty in pronouncing the death of the author A book about the life of an author about how an author is made not born Lipking's Samuel Johnson is the story of the man as he

lived and lives in his work Tracing Johnson's rocky climb from anonymity to fame in the course of which he came to stand for both the greatness of English literature and the good sense of the common reader the book shows how this life transformed the very nature of authorship Beginning with the defiant letter to Chesterfield that made Johnson a celebrity Samuel Johnson offers fresh readings of all the writer's major works viewed through the lens of two ongoing preoccupations the urge to do great deeds and the sense that bold expectations are doomed to disappointment Johnson steers between the twin perils of ambition and despondency Mounting a challenge to the emerging industry that glorified and capitalized on Shakespeare he stresses instead the playwright's power to cure the illusions of everyday life All Johnson's works reveal his extraordinary sympathy with ordinary people In his groundbreaking Dictionary in his poems and essays and in *The Lives of the English Poets* we see Johnson becoming the key figure in the culture of literacy that reaches from his day to our own

Liberating the Economy from the Market Leonardo Lavanderos,Alejandro Malpartida,2025-04-24 Authors Leonardo Lavanderos and Alejandro Malpartida dismantle the ideological scaffolding of contemporary capitalism exposing its structural contradictions and radical disconnection from the conditions that sustain life This book is not merely a critique it deconstructs and reconfigures proposing an economy that transcends the reductionist mechanics of supply and demand in order to restore the essential link between culture and nature The authors discuss how conventional economics obsessed with abstract metrics and empty indicators erased the relational and ecological dimensions that underpin the viability of both human and non human communities The book is an intellectual rebuff to those who have turned the economy into a machine of entropy uprooting and devastation Drawing from the concept of ecopoiesis the authors call for a paradigmatic shift toward a regenerative relational and systemically sustainable economy An essential text for students and researchers in economics sustainability sociology and societal futures

Emerging Prophet Kyle A. Roberts,2013-04-23 Kierkegaard was a prophet who critiqued Christendom the perversion of authentic New Testament Christianity into the institutionalized materialistic triumphalist and flabby religion of modernism Emergent Christianity is attempting to carve out a more authentic way of being Christian and doing church within and beyond the ineffectual institutionalized church of modernity In many ways Kierkegaard's critiques concerns and goals overlap with emergent Christianity and the emerging church For the first time this book brings Kierkegaard into a dialogue with various postmodern forms of Christianity on topics like revelation and the Bible the atonement and moralism and the church as an apologetic of witness In conversation with postmodern philosophers contemporary theologians and emergent leaders Kierkegaard is offered as a prophetic voice for those who are carving out an alternative expression of the New Testament today and attempting to follow Christ through works of love

The Journal Book Toby Fulwiler,1987 In this book journals are seen in every situation and from every angle as if mounted on a slow turntable under a spotlight The conclusion of most of the teachers and students using them is that they get people thinking they help them test their own experience against the ideas of many others the authorities they're studying their teachers

their fellow students The payoffs from using journals in classrooms are here shown to be astounding Students learn from making mistakes and half forming ideas They learn to think not by doing exercises in a faddish critical thinking textbook but by working their way through real questions with real interest and real intent Back cover The Really Useful Drama Book Roger McDonald, 2017-07-14 The Really Useful Drama Book offers busy primary school teachers a collection of step by step drama sessions inspired by high quality picturebooks that will engage children and promote enjoyable learning across the curriculum Lively and thoughtful the interactive drama sessions are structured around a wide range of texts including wordless picturebooks postmodern picturebooks short stories well known texts by recognisable authors and some you may not have come across before all chosen for their power to foster curiosity The step by step sessions can also be adapted to incorporate your own ideas and passions allowing you to structure them for the topics you re exploring with your class Each session is structured around two texts and offers a guide to the drama strategies used teaching objectives ideas for writing opportunities problems emotions and challenges to explore and a clear guide to exploring each text Ten key themes are explored Suspense Prejudice Friendship Rhyme and rhythm War and conflict Nature Overcoming fear Possessions and obsessions Dreams Short stories With a focus on the crucial role of imagination in the classroom The Really Useful Drama Book helps reclaim a purposeful passionate pedagogy and shows teachers how drama can place children right at the heart of a story encouraging their desire to ask questions solve problems and search out new information *The Territory of Language* Donald McQuade, 1986 A new revised and expanded version of the book that became an underground classic in the world of composition The contributors report on significant research and theory in composition as well as methods of effectively teaching writing to the current generation of com position students Included are essays by David Bartholomae Ann Berthoff Patricia Bizzell and Bruce Herzberg Kenneth Bruffee John Clifford Robert Connors Edward P J Corbett Donald Daiker Andrew Kerek and Max Morenberg Frank D Angelo Robert Di Yanni Lester Faigley Donald Freeman D G Kehl James Kinneavy Richard Larson Elaine Maimon Louis Milic Ellen Nold Sondra Perl and Arthur Egendorf Sandra Schor Judith Fishman Summerfield and Geoffrey Summerfield Joseph Williams Ross Winterowd and Richard Young The Writer's Mind Janice N. Lancon The concluding article reviews recent research dealing with writing and thinking FL Craving Supernatural
Creatures Claudia Schwabe, 2019-06-03 Analyzes the portrayal of German fairy tale figures in contemporary North American media adaptations Craving Supernatural Creatures German Fairy Tale Figures in American Pop Culture analyzes supernatural creatures in order to demonstrate how German fairy tales treat difference alterity and Otherness with terror distance and negativity whereas contemporary North American popular culture adaptations navigate diversity by humanizing and redeeming such figures This trend of transformation reflects a greater tolerance of other marginalized groups in regard to race ethnicity ability age gender sexual orientation social class religion etc and acceptance of diversity in society today The fairy tale adaptations examined here are more than just twists on old stories they serve as the looking glasses of significant cultural trends customs and social challenges Whereas the fairy tale adaptations that Claudia Schwabe analyzes suggest that Otherness can and should be fully embraced they also highlight the gap that still exists between the representation and the reality of embracing diversity wholeheartedly in twenty first century America The book's four chapters are structured around different supernatural creatures beginning in chapter 1 with Schwabe's examination of the automaton the golem and the doppelganger which emerged as popular figures in Germany in the early nineteenth century and how media such as Edward Scissorhands and Sleepy Hollow dramatize humanize and infantilize these uncanny characters in multifaceted ways Chapter 2 foregrounds the popular figures of the evil queen and witch in contemporary retellings of the Grimms fairy tale Snow White Chapter 3 deconstructs the concept of the monstrous Other in fairy tales by scrutinizing the figure of the Big Bad Wolf in popular culture including Once Upon a Time and the Fables comic book series In chapter 4 Schwabe explores the fairy tale dwarf claiming that adaptations today emphasize the diversity of dwarves personalities and celebrate the potency of their physicality Craving Supernatural Creatures is a unique contribution to the field of fairy tale studies and is essential reading for students scholars and pop culture aficionados alike *Digital Media and Democracy* Megan Boler, 2010-08-13 Media scholars artists activists and journalists discuss how the uses of the emerging Social Web redefine the public sphere and influence mainstream journalism In an age of proliferating media and news sources who has the power to define reality When the dominant media declared the existence of WMDs in Iraq did that make it a fact Today the Social Web sometimes known as Web 2.0 groupware or the participatory web epitomized by blogs viral videos and YouTube creates new pathways for truths to emerge and makes possible new tactics for media activism In Digital Media and Democracy leading scholars in media and communication studies media activists journalists and artists explore the contradiction at the heart of the relationship between truth and power today the fact that the radical democratization of knowledge and multiplication of sources and voices made possible by digital media coexists with the

blatant falsification of information by political and corporate powers The book maps a new digital media landscape that features citizen journalism The Daily Show blogging and alternative media The contributors discuss broad questions of media and politics offer nuanced analyses of change in journalism and undertake detailed examinations of the use of web based media in shaping political and social movements The chapters include not only essays by noted media scholars but also interviews with such journalists and media activists as Amy Goodman of Democracy Now Media Matters host Robert McChesney and Hassan Ibrahim of Al Jazeera Contributors and Interviewees Shaina Anand Chris Atton Megan Boler Axel Bruns Jodi Dean Ron Deibert Deepa Fernandes Amy Goodman Brian Holmes Hassan Ibrahim Geert Lovink Nathalie Magnan Robert McChesney Graham Meikle Susan Moeller Alessandra Renzi Ricardo Rosas Trebor Scholz D Travers Scott Rebecca Statzel

Politics of Catastrophe Claudia Aradau, Rens Van Munster, 2011-05-02 This book argues that catastrophe is a particular way of governing future events such as terrorism climate change or pandemics which we cannot predict but which may strike suddenly without warning and cause irreversible damage At a time where catastrophe increasingly functions as a signifier of our future imaginaries of pending doom have fostered new modes of anticipatory knowledge and redeployed existing ones Although it shares many similarities with crises disasters risks and other disruptive incidents this book claims that catastrophes also bring out the very limits of knowledge and management The politics of catastrophe is turned towards an unknown future which must be imagined and inhabited in order to be made palpable knowable and actionable Politics of Catastrophe critically assesses the effects of these new practices of knowing and governing catastrophes to come and challenges the reader to think about the possibility of an alternative politics of catastrophe This book will be of interest to students of critical security studies risk theory political theory and International Relations in general

Reclaiming the Imagination Through Science Karyn L. Pallay, 2006 This thesis attempts to reclaim the imagination defined by Ann Berthoff as the name for the active mind by looking at brain biology as it relates to teaching and learning The section titled Keeping Biology in Mind The Brain as Speculative Instrument demonstrates how biological naturalism a philosophy developed by John Searle validates the concept of an ontologically subjective I and hence the creation of course materials based on David Kolb's experiential learning model In addition it discusses how biologist James Zull maps the actual structure of the brain onto Kolb's model Adding to this bottom up theory of learning that emphasizes brain biology and subjective experience this thesis discusses how the mind through mental force works in a top down fashion to change the brain and suggests that students can learn to take control of their own learning by applying mental force The section titled Keeping Affect in Mind The Biology of Intuition presents the aspect of affect known as intuition and how it fits into the discussion The main premise of this thesis is that we can employ concepts of the brain and learning in the composition classroom to facilitate the teaching and learning of writing The last section titled Keeping Composition in Mind Theory into Practice is devoted to this premise on a practical level

The Top Books of the Year Reclaiming The Imagination The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous compelling novels captivating the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the engaging narratives that have enthralled audiences this year. Reclaiming The Imagination : Colleen Hoover's "It Ends with Us" This heartfelt tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Reclaiming The Imagination : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Reclaiming The Imagination : Delia Owens "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and thrilling novel that will keep you speculating until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
