Sex vs. Survival John Launer, 2019-05-15 An impressively researched documented and readable biography of a woman who played a key role in the history of psychology Library Journal starred review Who was Sabina Spielrein She is probably best known for her notorious affair with Carl Jung which was dramatized in the film *A Dangerous Method* starring Keira Knightley Yet her life story is much more compelling than just one famous relationship Spielrein overcame family and psychological abuse to become a profoundly original thinker in her own right *Sex vs Survival* is the first biography to put her life and ideas at the center of the story and examine Spielrein's key role in the development of psychoanalysis Drawing on fresh research into Spielrein's diaries papers and correspondence John Launer shows how Spielrein's overlooked ideas rejected by Freud and Jung but substantially vindicated by later developments in psychology and evolutionary biology may represent the last and most important stage in the rediscovery of an extraordinary life An invaluable resource for understanding Spielrein's significance her progressive thinking and her groundbreaking contributions to the history of psychoanalysis Publishers Weekly By the end of Launer's account there's no mistaking what the founding fathers of analysis did to this particular founding mother and probably to many other women At least this biography offers Spielrein some retrospective justice Jewish Book World **Sex Versus Survival** John Launer, 2011 *Sex Versus Survival* John

Sabina Spielrein Angela M. Sells,2017-07-25 Explores the life and work of psychoanalyst Sabina Spielrein through a feminist and mytho poetic lens Long stigmatized as Carl Jung s hysterical mistress Sabina Spielrein 1885 1942 was in fact a key figure in the history of psychoanalytic thought Born into a Russian Jewish family she was institutionalized at nineteen in Zurich and became Jung s patient Spielrein went on to earn a doctorate in psychiatry practiced for over thirty years and published numerous papers until her untimely death in the Holocaust She developed innovative theories of female sexuality child development mythic archetypes in the human unconscious and the death instinct In Sabina Spielrein Angela M Sells examines Spielrein s life and work from a feminist and mytho poetic perspective Drawing on newly translated diaries papers and correspondence with Jung and Sigmund Freud Sells challenges the suppression of Spielrein s ideas and shows her to be a significant thinker in her own right This book is a major perhaps a definitive contribution to the literature Angela Sells documents both the demonization of a great psychoanalytic theorist mainly because she was a woman and worse still was once Carl Jung s patient The book s greatest strength is its power to enlighten and inform and in so doing to arouse indignation and amazement at Spielrein s brilliance and tenacity Phyllis Chesler author of Women and Madness This is a pathbreaking piece of research that not only begins to rehabilitate the reputation of a woman patient of Jung s but also suggests that Spielrein was an important contributor in her own right to the beginnings of psychoanalysis Carol P Christ coauthor of Goddess and God in the World Conversations in Embodied Theology **Gone Feral** Casey Jean

The New Leviathans John Gray,2023-11-07 A bold provocative reckoning with our current political delusions and dysfunctions Ever since its publication in 1651 Thomas Hobbes s Leviathan has unsettled and challenged how we understand the world Condemned and vilified by each new generation his cold political vision continues to see through any number of human political and ethical vanities In his wonderfully stimulating book The New Leviathans John Gray allows us to understand the world of the 2020s with all its contradictions moral horrors and disappointments The collapse of the USSR ushered in an era of near apoplectic triumphalism in the West a genuine belief that a rational liberal well managed future now awaited humankind and that tyranny nationalism and unreason lay in the past Since then so many terrible events have occurred and so many poisonous ideas have flourished and yet our liberal certainties treat them as aberrations that will somehow dissolve Hobbes would not be so confident Filled with fascinating and challenging observations The New Leviathans is a powerful meditation on historical and current folly As a species we always seem to be struggling to face the reality of base and delusive human instincts Might a more self aware realistic and disabused ethics help us
