provocative yet sensitively written account of an under investigated area of sociological enquiry While there is a considerable amount of research documenting the experiences of sex workers very little data exists on their male clientele The first empirically based volume on the experiences of men who pay for sex this work presents a significant new source of data The book is based upon an extensive study of on line forums in which both the purchasers of sexual services and the workers themselves can exchange information and views information which is otherwise extremely difficult to obtain Sarah Earle and Keith Sharp argue that such sites represent a significant change in the social organization of sex work and those who seek and use the services of sex workers Shedding new light on men s sexual identity Sex in Cyberspace makes a major contribution to the study of sexuality **Sex vs. Survival** John Launer,2019-05-15 An impressively researched documented

and readable biography of a woman who played a key role in the history of psychology Library Journal starred review Who was Sabina Spielrein She is probably best known for her notorious affair with Carl Jung which was dramatized in the film A Dangerous Method starring Keira Knightley Yet her life story is much more compelling than just one famous relationship Spielrein overcame family and psychological abuse to become a profoundly original thinker in her own right Sex vs Survival is the first biography to put her life and ideas at the center of the story and examine Spielrein s key role in the development of psychoanalysis Drawing on fresh research into Spielrein s diaries papers and correspondence John Launer shows how Spielrein s overlooked ideas rejected by Freud and Jung but substantially vindicated by later developments in psychology and evolutionary biology may represent the last and most important stage in the rediscovery of an extraordinary life An invaluable resource for understanding Spielrein s significance her progressive thinking and her groundbreaking

contributions to the history of psychoanalysis Publishers Weekly By the end of Launer's account there's no mistaking what the founding fathers of analysis did to this particular founding mother and probably to many other women At least this biography offers Spielrein some retrospective justice Jewish Book World [The Sex Life of the Foot and Shoe](#) William A. The Dialectic of Sex Shulamith Firestone, 2015-04-01 An international bestseller originally published in 1970 when Shulamith Firestone was just twenty five years old The Dialectic of Sex was the first book of the women s liberation movement to put forth a feminist theory of politics Beginning with a look at the radical and grassroots history of the first wave with its foundation in the abolition movement of the time Firestone documents its major victory the expansion of the franchise in 1920 and the fifty years of ridicule that followed She goes on to deftly synthesize the work of Freud Marx de Beauvoir and Engels to create a cogent argument for feminist revolution Ultimately she presents feminism as the key radical ideology the missing link between Marx and Freud uniting their visions of the political and the personal The Dialectic of Sex remains remarkably relevant today a testament to Firestone s startlingly prescient vision The author died in 2012 but her ideas live on through this extraordinary book
