Secret Sex Wars Robert Scott Sr,2008-05-01 We live in a sexually impure world This fact is felt most assuredly by men As on preacher put it We live in a culture that sweats sensuality from its pores A man today can t escape the temptations to sexual sin that come to him via TV billboards magazines and provocatively dressed women He can run but he can t hide The world he lives in is saturated with sexual temptations This book seeks to come face to face with the growing problem in the church today sexual purity has become a major concern in homes churches and in the hearts of men across the country This book will provide keys to unlocking freedom in the fight for purity *Indian Sex Life* Durba Mitra,2020-01-07 During the colonial period Indian intellectuals philologists lawyers scientists and literary figures all sought to hold a mirror to their country Whether they wrote novels polemics or scientific treatises all sought a better understanding of society in general and their society in particular Curiously female sexuality and sexual behavior play an outside role in their writing The figure of the prostitute is ubiquitous in everything from medical texts and treatises on racial evolution to anti Muslim polemic and studies of ancient India In this book Durba Mitra argues that between the 1840s and the 1940s the new science of sexuality became foundational to the scientific study of Indian social progress The colonial state and an emerging set of Bengali male intellectuals extended the regulation of sexuality to far reaching projects that sought to define what society should look like and how modern citizens should behave An exploration of this history of social scientific thought offers new perspectives to understand the power of paternalistic and deeply violent claims about sexual norms in the postcolonial world today These histories reveal the enduring authority of scientific claims to a tradition that equates social good with the control of women s free will and desire Thus they managed to dramatically reorganize their society around upper caste Hindu ideals of strict monogamy London's Sinful Secret Dan Cruickshank,2010-11-23 Georgian London evokes images of elegant mannered buildings but it was also a city where prostitution was rife and houses of ill repute widespread in a sex trade that employed thousands In London's Sinful Secret Dan Cruickshank explores this erotic Georgian underworld and shows how it affected almost every aspect of life and culture in the city from the smart new streets that sprang up in Marylebone to the squalid alleys around Charing Cross to the coffee houses where prostitutes plied their trade to the work of artists such as William Hogarth and Joshua Reynolds Cruickshank uses memoirs newspaper accounts and court records to create a surprisingly bawdy portrait of London at its most mannered and for the first time exposes its secret sinful underside A lively work of social history full of surprises and memorable characters Kirkus Reviews **Eros and Sexuality in Islamic Art** Francesca Leoni,Mika Natif,2013 Dedicated to the topic of eroticism and sexuality in the visual production of the medieval and early modern Muslim world this volume offers new insights and methodological models that extend our understanding of erotic and sexual subjects in the Islamic tradition The essays shed light on the diverse socio cultural milieus of erotic images on the motivations underlying their production and on the responses generated by their circulation **(Re)Constructing**

Maternal Performance in Twentieth-Century American Drama L. Bailey McDaniel, 2013-09-04 Looking at a century of American theatre McDaniel investigates how race based notions of maternal performance become sites of resistance to cultural and political hierarchies This book considers how the construction of mothering as universally women's work obscures additional equally constructed subdivisions based in race and class **Marie Antoinette** Dena Goodman, Thomas E. Kaiser, 2013-10-23 Marie Antoinette is one of the most fascinating and controversial figures in all of French history This volume explores the many struggles by various individuals and groups to put right Marie's identity and it simultaneously links these struggles to larger destabilizations in social political and gender systems in France Looking at how Marie was represented in politics art literature and journalism the contributors to this volume reveal how crucial political and cultural contexts were enacted on the body of the queen and on the complex identity of Marie Taken together these essays suggest that it is precisely because she came to represent the contradictions in the social political and gender systems of her era that Marie remains such an important historical figure **Traditional Jewish Sex Guidance: A History** Eviatar
Marienberg, 2022-07-25 When Jews literate in Hebrew a group that until recently was mostly men wanted to learn from traditional Jewish sources how to behave in their conjugal bed what did they find Did the guidance differ between generations places or cultural contexts How did thinkers in a tradition based on supposedly binding texts deal with changing sensibilities needs and realities in this intimate domain This study explores sources from the Bible to contemporary publications showing both stability and change in what Jews were instructed to do or to avoid doing when having sex with their spouse **Sex in China** Fang Fu Ruan, 2013-11-22 China today is sexually and in many other ways a very repressive society yet ancient China was very different Some of the earliest surviving literature of China is devoted to discussions of sexual topics and the sexual implications of the Yin and Yang theories common in ancient China continue to influence Tantric and esoteric sexual practices today far distant from their Chinese origins In recent years a number of books have been written exploring the history of sexual practices and ideas in China but most have ended the discussion with ancient China and have not continued up to the present time Fang Fu Ruan first surveys the ancient assumptions and beliefs then carries the story to present day China with brief descriptions of homosexuality lesbianism transvestism transsexualism and prostitution and ends with a chapter on changing attitudes toward sex in China today Dr Ruan is well qualified to give such an overview Until he left China in the 1980s he was a leader in attempting to change the repressive attitudes of the government toward human sexuality He wrote a best selling book on sex in China and had written to and corresponded with a number of people in China who considered him as confidant and advisor about their sex problems A physician and medical historian Dr Ruan's doctoral dissertation was a study of the history of sex in China **Zarathustra's Secret** Joachim Köhler, 2002-01-01 In this groundbreaking biography the author seeks to understand Nietzsche's philosophy through a reconstruction of his inner life Briskly written almost a philosophical detective story Volksblatt 43 illustrations *The*
