Sharing Our Worlds An Introduction To Cultural And Social Anthropology

Scott C. Dulebohn

Sharing Our Worlds An Introduction To Cultural And Social Anthropology:

An Introduction to Social Anthropology Joy Hendry, 2017-09-16 An essential core textbook that leads the reader from Social Anthropology's foundational approaches and theories to the fundamental areas that characterise the field today. Taking a truly global and holistic view, it includes a wide range of case studies touching on topics that both divide and connect us, such as family, marriage and religion. Fully updated and revised, the third edition of this popular textbook continues to introduce students to what Social Anthropology is, what anthropologists do, how and what they contribute, and how even a limited knowledge of anthropology can help people flourish in today's world. This is an inviting, engaging and enjoyable text that has established itself as a comprehensive introduction to social and cultural anthropology. Written in an accessible style and including a wide range of pedagogical features, it is ideally suited to new or prospective students seeking to better understand the discipline and its roots. New to this Edition: Includes a new chapter on the role of social and cultural anthropologists and the specific methods they use in a fast-changing world. Features a number of new first-hand accounts to explore difficult concepts through people's real-world experiences. Updated sections for further exploration, including books, articles, novels, films and websites.

Sharing Our Worlds (Third Edition) Joy Hendry, 2016-09 An accessible and comprehensive introduction to cultural and social anthropology. *Sharing Our Worlds* offers readers the perfect introduction to cultural and social anthropology, introducing the classic theoretical ideas of its key founders and placing them in their historical and geographical context. This new edition is fully updated, including topics for reflection at the end of each chapter, which offer topics for debate and further discussion, as well as a new final chapter illuminating the valuable ways in which anthropology may be used in the world at large. This comprehensive text covers the anthropology's core topics in an even-handed and illuminating manner, introducing the reader to divergent views on all of the most basic subjects, including food, hygiene, gift exchange, rites of passage, symbolism, religion, politics and the environment, and raising awareness of the emotional value people place on those views. Incorporating a wide array of countries, it brings the subject of cultural and social anthropology right into the neighborhood of the readers wherever they are in the world. Written in a refreshingly accessible style, the volume offers a compelling introduction to an enigmatic and exciting subject, drawing out its relevance and value for the complex multicultural world in which we live.

Sharing Our Worlds Joy Hendry, 2008-04 Women today are being instructed on how they can raise their self-esteem, love their inner child, survive their toxic families, overcome codependency and experience a revolution from within. By holding up the ideal of a pure and happy inner core, psychotherapists refuse to acknowledge that a certain degree of unhappiness or dissatisfaction is a routine part of life and not necessarily a cause for therapy. Lesbians specifically are now guided to define themselves according to their frailties, inadequacies and insecurities. An incisive critique of contemporary feminist psychology and therapy, *Changing our Minds* argues not just that the current practice of psychology is flawed, but that the whole idea of psychology runs counter to many

tenets of lesbian feminist politics Recognizing that many lesbians do feel unhappy and experience a range of problems that detract from their well being Changing Our Minds makes positive prescriptive suggestions for non psychological ways of understanding and dealing with emotional distress Written in a lively and engaging style Changing our Minds is required reading for anyone who has ever been in therapy or is close to someone who has and for lesbians feminists psychologists psychotherapists students of psychology and women s studies and anyone with an interest in the development of lesbian feminist theory ethics and practice Sharing Our Worlds (Second Edition) Joy Hendry, 2008-04 Sharing Our Worlds offers the perfect introduction to cultural and social anthropology for anyone approaching the subject for the first time Hendry introduces classic theoretical ideas of the key founders of cultural and social anthropology placing them in their historical and geographical context Carefully structured so that one chapter builds on the next Sharing Our Worlds covers the core topics in an even handed and illuminating manner introducing the reader to divergent views on all the most basic subjects food hygiene gift exchange rites of passage symbolism religion politics and the environment and raising awareness of the emotional value people place on those views Covering a wide array of countries it brings the subject of cultural and social anthropology right into the neighborhood of the reader wherever they are in the world Written in a refreshingly accessible style Sharing Our Worlds offers a compelling introduction to an enigmatic and exciting subject drawing out its relevance and value for the complex multicultural world in which we live **Rethinking Oral History and Tradition** Nepia

Mahuika, 2019-10-09 Indigenous peoples have our own ways of defining oral history For many oral sources are shaped and disseminated in multiple forms that are more culturally textured than just standard interview recordings For others indigenous oral histories are not merely fanciful or puerile myths or traditions but are viable and valid historical accounts that are crucial to native identities and the relationships between individual and collective narratives This book challenges popular definitions of oral history that have displaced and confined indigenous oral accounts as merely oral tradition It stands alongside other marginalized community voices that highlight the importance of feminist Black and gay oral history perspectives and is the first text dedicated to a specific indigenous articulation of the field Drawing on a Maori indigenous case study set in Aotearoa New Zealand this book advocates a rethinking of the discipline encouraging a broader conception of the way we do oral history how we might define its form and how its politics might move beyond a subsuming democratization to include nuanced decolonial possibilities *Continuity and Change in Asia* Kraus, Filip, Westlake, Renata, Šamajová, Kateřina, a kolektiv, Tma kontinuity a změn v Asii je obecně přijímáno jako důležité složitější problém Asie je považována za jednu z nejdynamičtějších se rozvíjejících světů Rychlý proměnlivý asijský ekonomický politický a sociální i kulturní systém poskytují adumtaxat takové oblasti jako je antropologie etnografie lingvistika a literární studia i v takových vědních oborech jako jsou sociální politický a ekonomický studia Obzvláště po několika letech opatření proti Covid 19 je důležité porozumět tomu co zůstalo stejné i co se mohlo změnit a být navždy ztraceno The theme of continuity and change is

generally acknowledged as an important and a highly complex problem Asia is considered as one of the most dynamically changing parts of the worlds The quick economic political and socio cultural changes are generating interesting topics in those scholarly fields such as anthropology ethnography linguistics and literary studies or in other fields of social political and economic science Especially after the years of anti Covid 19 measures it is important to understand what remains stable or what had been changed and may be lost forever *The Potential for Anthropology and Urban Community Engagement* Jill Florence Lackey,Rick Petrie,2024-07-01 The relationship between anthropology departments and their surrounding urban communities has been traditional limited by a number of factors The Potential for Anthropology and Urban Community Engagement pushes past these limitations developing a firm foundation from which applied anthropology can support grassroots research and lasting community programs Using two partnering Milwaukee organizations as examples this volume explores the need in urban neighborhoods for practicing anthropologists how a high volume of asset building programs can be developed by practicing anthropologists and the potential efficacy of anthropology departments in partnering with urban neighborhoods Anthropology Tim Ingold,2018-04-27 Humanity is at a crossroads We face mounting inequality escalating political violence warring fundamentalisms and an environmental crisis of planetary proportions How can we fashion a world that has room for everyone for generations to come What are the possibilities in such a world of collective human life These are urgent questions and no discipline is better placed to address them than anthropology It does so by bringing to bear the wisdom and experience of people everywhere whatever their backgrounds and walks of life In this passionately argued book Tim Ingold relates how a field of study once committed to ideals of progress collapsed amidst the ruins of war and colonialism only to be reborn as a discipline of hope destined to take centre stage in debating the most pressing intellectual ethical and political issues of our time He shows why anthropology matters to us all Introducing Polity s Why It Matters series In these short and lively books world leading thinkers make the case for the importance of their subjects and aim to inspire a new generation of students The SAGE Handbook of Social Anthropology Richard Fardon,Oliva Harris,Trevor H J Marchand,Cris Shore,Veronica Strang,Richard Wilson,Mark Nuttall,2012-07-25 In two volumes the SAGE Handbook of Social Anthropology provides the definitive overview of contemporary research in the discipline It explains the what where and how of current and anticipated work in Social Anthropology With 80 authors contributing more than 60 chapters this is the most comprehensive and up to date statement of research in Social Anthropology available and the essential point of departure for future projects The Handbook is divided into four sections Part I Interfaces examines Social Anthropology s disciplinary connections from Art and Literature to Politics and Economics from Linguistics to Biomedicine from History to Media Studies Part II Places examines place region culture and history from regional area studies to a globalized world Part III Methods examines issues of method from archives to war zones from development projects to art objects and from ethics to comparison Part IV Futures anticipates anthropologies to come in the

Brain Sciences in post Development in the Body and Health and in new Technologies and Materialities Edited by the leading figures in social anthropology the Handbook includes a substantive introduction by Richard Fardon a think piece by Jean and John Comaroff and a concluding last word on futures by Marilyn Strathern The authors each at the leading edge of the discipline contribute in depth chapters on both the foundational ideas and the latest research Comprehensive and detailed this magisterial Handbook overviews the last 25 years of the social anthropological imagination It will speak to scholars in Social Anthropology and its many related disciplines

The Corporate Tribe Danielle Braun, Jitske Kramer, 2018-11-09 No challenge is entirely new In 60 000 years of human existence nearly every problem we face in modern business has already been seen and solved We just have to figure out how to apply that age old tribal wisdom to our current circumstances The Corporate Tribe will take you on a journey to discover the essence of culture and the secret to successful change programs Along the way it will introduce you to the cultural traditions of different people across the globe and provide you with the practical tools you need to apply what you find to today s organizations Through thirty compelling stories The Corporate Tribe will reveal what deep down you already know At turns unfamiliar and disruptive illuminating and inspirational The Corporate Tribe offers a powerful paradigm and skillset for tackling organizational and leadership challenges in the twenty first century and beyond It is a book for leaders consultants and advisors who are looking for a fresh perspective and proven solutions for those who want to build strong communities that are safe for diversity and ready for change Danielle Braun and Jitske Kramer are corporate anthropologists They look at organizations as tribes organizational charts as kinship systems leaders as chiefs and mission documents as totem poles Travel with them to places where spirits linger after death magic is real and rituals are the key to maintaining order and facilitating transition You will never look at your organization or approach its problems the same way again

Sharing Our Worlds An Introduction To Cultural And Social Anthropology Introduction

In the digital age, access to information has become easier than ever before. The ability to download Sharing Our Worlds An Introduction To Cultural And Social Anthropology has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Sharing Our Worlds An Introduction To Cultural And Social Anthropology has opened up a world of possibilities. Downloading Sharing Our Worlds An Introduction To Cultural And Social Anthropology provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Sharing Our Worlds An Introduction To Cultural And Social Anthropology has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Sharing Our Worlds An Introduction To Cultural And Social Anthropology. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Sharing Our Worlds An Introduction To Cultural And Social Anthropology. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Sharing Our Worlds An Introduction To Cultural And Social Anthropology, users should also consider the

potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Sharing Our Worlds An Introduction To Cultural And Social Anthropology has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Sharing Our Worlds An Introduction To Cultural And Social Anthropology Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience.
