Five Year Mission Tim Bale,2015-04-02 In May 2010 Labour suffered one of its worst ever election defeats A few months later it chose Ed Miliband as its new leader His task To win back power after just one term in opposition a tall order given how many voters had come to blame Labour for the economic mess the country was in and to see the party as a soft touch when it came to immigration and welfare Even those who were more sympathetic had their doubts Was Ed Miliband really leadership material Would he be able to overcome defeating his elder brother to get to the top Would he have to do as he was told by the trade union leaders who had helped him win Could he resolve the tensions between Blairites and Brownites Blue Labour and New Labour Might his desire to keep his colleagues united mean Labour stayed stuck in its comfort zone Would he in seeking to break from the party s recent past take it too far to the left Could he offer the electorate something really radical in 2015 or would he instead choose something safer but ultimately less inspiring And what should twenty first social democracy look like now that the money had run out This book by one of the country s foremost experts on party politics seeks to answer all those questions and in the run up to the 2015 general election to ask one more will Ed Miliband s five year mission turn out to be mission impossible

Joe Quinn Among the Rowdies Rochelle Llewelyn Nicholls,2014-10-01 A gentleman when the game was hard bitten played by rough and ready lads out to win whatever the cost Australia had few sporting heroes in the years preceding its federation in 1901 But before its 20th century Olympic trailblazers and Depression era icons such as Phar Lap and Don Bradman came an Australian sporting pioneer who was celebrated on the most glamorous stage in the world American major league baseball Joe Quinn s story has long been lost in the land of his birth This tale gallops from the deprivation of famine ravaged Ireland through colonial Australia to the raucous ballfields of 19th century America with their unruly players and owners brawls and adulation and backroom betrayals Through 17 seasons in the major leagues Undertaker Joe Quinn earned his place among the colorful characters who pioneered the modern game of baseball as much for his ability to stand apart from their bad behavior as for his steadfastness on the field Meet Australia s first professional baseball player and manager whose willingness to have a go in the grand Australian tradition will live long in the minds of sports fans on both sides of the Pacific

UKIP Matthew Goodwin,Caitlin Milazzo,2015-11-26 The UK Independence Party Ukip is the most significant new force in British politics for a generation Under the leadership of Nigel Farage the party has enjoyed a remarkable rise winning the 2014 European Parliament elections as well as two parliamentary by elections and attracting mainstream

defectors to achieve major party status By the time of the 2015 general election Farage and Ukip stood on the threshold of becoming a major force at Westminster This account is a must read for anyone interested in the inside story of Ukip's quest to change British politics during one of the most unpredictable and dramatic elections in recent history Based on unprecedented access to the party and its key players the book pulls back the curtain on one of the most intriguing campaigns in living memory It includes behind the scenes observations from the campaign trail and more than one hundred interviews with leading Ukip insiders such as Nigel Farage Douglas Carswell and Mark Reckless as well as major donors strategists and figures from across the political landscape as they grappled with Ukip's rise Matthew Goodwin and Caitlin Milazzo reveal what really happened during the 2015 election campaign and in the by elections and defections which preceded it providing detailed accounts of the critical moments that shaped both the election itself and British politics more widely The book also makes extensive use of British Election Study data from over five decades to answer important questions about the rise of Ukip and what it signifies Who voted for Ukip and why How are political loyalties in Britain changing over time What are the deeper currents that have made Ukip's rise possible and will continue to shape its future And what does the party's campaign for power reveal about the current evolution of British politics and society UKIP takes readers inside the campaign telling for the first time the exciting inside story of a new party attempting to redraw the map of British politics

Whistleblowers Allison Stanger, 2019-09-24 A brisk and interesting exploration of exposing misconduct in America from the Revolutionary War era to the Trump years Jill Lepore The New Yorker PROSE Award winner in the Government Policy and Politics category Misconduct by those in high places is always dangerous to reveal Whistleblowers thus face conflicting impulses by challenging and exposing transgressions by the powerful they perform a vital public service yet they always suffer for it This episodic history brings to light how whistleblowing an important but unrecognized cousin of civil disobedience has held powerful elites accountable in America Analyzing a range of whistleblowing episodes from the corrupt Revolutionary War commodore Esek Hopkins whose dismissal led in 1778 to the first whistleblower protection law to Edward Snowden to the dishonesty of Donald Trump Allison Stanger reveals the centrality of whistleblowing to the health of American democracy She also shows that with changing technology and increasing militarization the exposure of misconduct has grown more difficult to do and more personally costly for those who do it yet American freedom especially today depends on it A stunningly original deeply insightful and compelling analysis of the profound conflicts we have faced over whistleblowing national security and democracy from our nation's founding to the Age of Trump Geoffrey R Stone award winning author of Perilous Times This clear eyed sobering book narrates a history of whistle blowing from the American Revolution to Snowden to Comey and delivers the verdict that the republic is at risk a must read Danielle Allen award winning author of Our Declaration

Gangland Robbers Susanna Lobez, James Morton, 2016-08-29 Robbers have always seen themselves as the cream of the underworld at the top of the criminal aristocracy both in and out of prison Gangland

Robbers follows the stories of the men and women who go to great lengths to organise heists which if all goes well will keep them in luxury for many years if not for life If their plans fail then often it is another sort of life Bestselling Gangland authors Morton and Lobeze cover the best stories of the past 200 years from the tunnel digging burglary of the Bank of Australia in 1828 through to the hold ups of the bushrangers Squizzy Taylor and his crew the train robbers of the 1930s Jockey Smith Mad Dog Cox the ill fated Victorian Bookie Robbery as well as the less well known Angel of Death The Pushbike Bandit and The Gentleman Bandit Gangland Robbers explores the lives their own and others that these bandits ruined those who went to the gallows and the very few who redeemed themselves **Whistleblowers: True Patriots of Humanity** Shawn

Alli, 2014-07-12 Whistleblowers are the gatekeepers who holds the keys of the kingdom in their pockets and capable of revolutionizing all of humanity The idea that patriotism is a concept limited to ones government and implies obedience to them is equal to propaganda on steroids Generational societal political social and religious conditioning reaches into the minds of whole populations and enslaves them in a dreamlike state Whistleblowers are paradigm shifters who are capable of waking up the masses And it s high time that the masses wake up take responsibility for their lapse in judgement and hold corrupt governments officials accountable for their actions In Whistleblowers True Patriots of Humanity you ll learn How to blow the whistle safely with various frameworks and methodologies How to separate the real whistleblowers from the celebrity ones using the Standard Whistleblowing Criterion Understand the dynamics of the conspiracy theory movement Why many Five Eyes government constitutions and oaths of allegiance are invalid Understand the US and UK government s war against journalists How mainstream media and alternative media outlets can redefine themselves in the 21st century

The Best of Times Mark Field, 2016-05-19 Tensions simmer in the aftermath of 2008 s catastrophic financial crash As the darkest days of the crisis fade behind us great obstacles to prosperity remain Mark Field s acclaimed first book Between the Crashes explored the economic collapse Now in his new collection of essays the City of London MP charts our progress as the economy splutters back to life untangling the rhetoric of deficit reduction from reality and meaningful reform from political posture The Best of Times traces the compromises of coalition government and the emergence of a new anti establishment sentiment taking in the Scottish independence referendum UKIP s rise and fall and the unexpected genesis of Corbynism Conflicts in the Middle East open a dark chapter in foreign affairs while closer to home a shock Conservative victory in the 2015 general election ensures a hotly debated EU referendum Yet for all the surprises delivered by the past three years today s challenges are deeply familiar shifting global power generational wars and disillusionment with capitalism still threaten our prosperity Engaging and unflinching The Best of Times offers erudite analysis and practical solutions to the challenges facing Britain today *Ukraine Crisis* Wilson, Andrew, 2014-11-18 A leading Ukraine specialist and firsthand witness to the 2014 Kiev Uprising analyzes the world s newest flashpoint The aftereffects of the February 2014 Uprising in Ukraine are still reverberating around the world The consequences of the popular rebellion and Russian

President Putin's attempt to strangle it remain uncertain In this book Andrew Wilson combines a spellbinding on the scene account of the Kiev Uprising with a deeply informed analysis of what precipitated the events what has developed in subsequent months and why the story is far from over Wilson situates Ukraine's February insurgence within Russia's expansionist ambitions throughout the previous decade He reveals how President Putin's extravagant spending to develop soft power in all parts of Europe was aided by wishful thinking in the EU and American diplomatic inattention and how Putin's agenda continues to be widely misunderstood in the West The author then examines events in the wake of the Uprising the military coup in Crimea the election of President Petro Poroshenko the Malaysia Airlines tragedy rising tensions among all of Russia's neighbors both friend and foe and more Ukraine Crisis provides an important accurate record of events that unfolded in Ukraine in 2014 It also rings a clear warning that the unresolved problems of the region have implications well beyond Ukrainian borders

Remaking London Ben Campkin, 2013-08-13 Between the slum clearances of the early twentieth century and debates about the post Olympic city the drive to regenerate London has intensified Yet today with a focus on increasing land values regeneration schemes purporting to foster diverse and creative new neighbourhoods typically displace precisely the qualities activities and communities they claim to support In Remaking London Ben Campkin provides a lucid and stimulating historical account of urban regeneration exploring how decline and renewal have been imagined and realised at different scales Focussing on present day regeneration areas that have been key to the capital's modern identity Campkin explores how these places have been stigmatised through identification with material degradation and spatial and social disorder Drawing on diverse sources including journalism photography cinema theatre architectural design advertising and television he illuminates how ideas of decline drive urban change Richly illustrated and engagingly written Remaking London is both a compelling account of contested sites from the capital's recent history and a powerful critique of the contradictions of contemporary regeneration
