Shadow Man Cody McFadyen:

Shadow of a Man May Sarton, 1952 Shadow Man Cody McFadyen, 2006-06-13 Once Special Agent Smoky Barrett hunted serial killers for the FBI She was one of the best until a madman terrorized her family killed her husband and daughter and left her face scarred and her soul brutalized Turning the tables on the killer Smoky shot him dead but her life was shattered forever Now Smoky dreams about picking up her weapon again She dreams about placing the cold steel between her lips and pulling the trigger one last time Because for a woman who's lost everything what is there left to lose She's about to find out In all her years at the Bureau Smoky has never encountered anyone like him a new and fascinating kind of monster a twisted genius who defies profiler's attempts to understand him And he's issued Smoky a direct challenge coaxing her back from the brink with the only thing that could convince her to live The killer videotaped his latest crime an act of horror that left a child motherless then sent a message addressed to Agent Smoky Barrett The message is enough to shock Smoky back to work back to her FBI team And that child awakens something in Smoky she thought was gone forever Suddenly the stakes are raised The game has changed For as this deranged monster embarks on an unspeakable spree of perversion and murder Smoky is coming alive again and she's about to face her greatest fears as a cop a woman a mother and a merciless killer's next victim Shadow Man Marketing Proofs Cody McFadyen, 2005-09-13 **The Face of Death**

Cody McFadyen, 2008-07-29 In *Shadow Man* Cody McFadyen took the suspense thriller where other writers have feared to tread He introduced readers to a heroine every bit as dark and edgy as the serial killers she hunts Special Agent Smoky Barrett Now in his latest novel McFadyen brings Agent Barrett back to track down a killer who breaks all the rules I want to talk to Smoky Barrett or I'll kill myself The girl is sixteen at the scene of a grisly triple homicide and has a gun to her head She claims The Stranger killed her adoptive family that he's been following her all her life killing everyone she ever loved and that no one believes her No one has Until now Special Agent Smoky Barrett is head of the violent crimes unit in Los Angeles the part of the FBI reserved for tracking down the worst of the worst Her team has been handpicked from among the nation's elite law enforcement specialists and they are as obsessed and relentless as the psychos they hunt they'll have to be to deal with this case For another vicious double homicide reveals a killer embarked on a dark crusade of trauma and death an artist who's molding sixteen year old Sarah into the perfect victim and the ultimate weapon But Smoky Barrett has another more personal reason for catching The Stranger an adopted daughter and a new life that are worth protecting at any cost This time Smoky is going to have to put it all on the line Because The Stranger is all too real all too close and all too relentless And when he finally shows his face if she's not ready to confront her worst fear Smoky won't have time to do anything but die

The Darker Side Cody McFadyen, 2009-09-29 A lie a long ago affair a dark desire everyone has secrets they take to the grave No one knows that better than FBI special agent Smoky Barrett But what secret was a very private young woman keeping that led to her very public murder That's the question Smoky and her handpicked team of experienced manhunters

are summoned to answer by the FBI director himself As a mother Smoky knows the pain of losing a child As a cop with her own twisted past she takes every murder personally Brilliant merciless righteous the killer Smoky is hunting this time is on his own personal mission For in his eyes no one is innocent everyone harbors a secret sin Soon Smoky will have to face the secret she s carefully hidden even from her own team and confront a relentless killer who knows her flaws with murderous intimacy

Abandoned Cody McFadyen,2010-07-27 For FBI Special Agent Smoky Barrett her colleague s wedding is cause for celebration Until a woman staggers down the aisle incoherent wearing only a white nightgown A fingerprint check determines that she s been missing for nearly eight years Her coldly efficient captor toyed with her mind and body imprisoning her depriving her of any contact with the outside world As Smoky fits together the pieces of what remains of the victim s fractured life a chilling picture emerges of a cerebral psychopath who doesn t take murder personally never makes a mistake follows his own sinister logic and has set the perfect trap

Personal Demon Kelley Armstrong,2008-09-30 In her acclaimed *Women of the Otherworld* series Kelley Armstrong has created a scintillating realm where the supernatural and the human coexist on the edge of darkness romance and eternity Now Armstrong tells the captivating tale of a young woman with an insatiable lust for danger She can t help it It s in her blood Tabloid reporter Hope Adams appears to live the life of an ordinary working girl But in addition to possessing the beauty of a Bollywood princess Hope has other unique traits For she is a half demon a human fathered by a demon And she s inherited a hunger for chaos Naturally when she s chosen by a very dangerous group for a very dangerous mission that will take her through Miami s hot spots she jumps at the chance But Hope is a little too good at this job And soon she s in a little too deep

To save herself she'll have to unleash her most primal instincts and open herself mind and body to everything she most fears and desires

Exit Strategy Kelley Armstrong, 2010-05-14 Popular fantasy author Kelley Armstrong's *Women of the Otherworld* series makes her first foray into crime fiction with the debut of a series of non-paranormal novels featuring female assassin Nadia Stafford. Nadia Stafford is one of the world's few female contract killers. A former cop drummed out of the force because of a scandal, she is an expert at disguise and cool under pressure. But when fellow hitman Jack arrives on the scene, Nadia's very private existence is seriously challenged. A series of victims are being murdered seemingly at random all over the country, different areas, different walks of life, different M.O.s. There is nothing to tie them together except a random page torn out of a single book, *Helter Skelter*. But does the *Helter Skelter* killer, as the hysterical media now dub him, have a real connection to Charles Manson? Or is there something even more sinister at work? Is this in fact, as Jack believes, the carefully planned exit strategy of a fellow professional killer determined to leave the life but equally determined to clear up an old mistake? And if so, which is the real victim? Now the highly suspicious and secretive hitman community will have to break their cover at least to each other and help take down this killer before the cops and the Feds discover his true connection to their own secret exclusive society.

Wild Justice Kelley Armstrong, 2013-11-26 The long-awaited final installment of the Nadia Stafford series from the #1 New York Times bestselling author of the *Otherworld* series and *Hemlock Island*. Since Kelley Armstrong wrapped up book two of the Nadia Stafford series, fans have been eager to know what happens to the tough-as-nails contract killer. At last, *Wild Justice* brings Nadia back for the series' thrilling conclusion, an action-packed tale that will dazzle fans of the series as well as those who are only familiar with Armstrong's bestselling paranormal books. In *Wild Justice*, Nadia is confronted with her most difficult task to date: going after the man who killed her cousin Amy twenty years prior. But when it turns out that someone else has gotten to him first, she is drawn into a complex situation where everything she knows and loves is thrown into the path of danger. Nadia is forced to take matters into her own hands, ultimately requiring her to confront her darkest secrets and her deepest desires in a way that she never thought possible. Armstrong's beloved *Otherworld* series is coming to the Syfy Channel in January 2014. Fans of that series are sure to enjoy the no-holds-barred action of *Wild Justice*.
