Shadows Over The White House The Mafia And The President:

Shadows Over the White House Thomas A. Reppetto, 2014-10-20 How did the American Mafia and corrupt politicians assert so much power over the nation's affairs that the Mob's influence actually reached into the White House? Harry Truman had been one of three key lieutenants of Kansas City boss Tom Pendergast. Truman controlled the county government while another lieutenant, Mafia Boss Johnny Lazia, carried out murders and other crimes as required to keep the machine in power. Truman himself was never accused of corruption. Once elected to the Senate in 1934, he became known in Washington as Pendergast's errand boy. When Pendergast himself eventually ended up in federal prison for evading taxes on bribe money, Truman remained loyal to him. With the fall of Pendergast, Truman appeared likely to be defeated for reelection to the Senate in 1940. However, Bob Hannegan, who ran St. Louis in conjunction with Mayor Bernie Dykman, came to Truman's aid and provided the senator's margin of victory. Harry Truman eventually became president upon FDR's death, opening a period of tolerance for the Mob throughout the country. The need for margins in tight elections in certain key moments, such as John F. Kennedy's in 1960, increased Mafia influence. More connections are clearly documented during the Nixon and Reagan presidencies when the Mob played a role in securing key voting blocs. Thomas A. Reppetto was commander of detectives in Chicago and dean of John Jay College, CUNY. He is the author of *American Police*, *American Mafia*, and countless op-ed pieces in major daily newspapers.

The Mafia's President Don Fulsom, 2017-11-14 The first ever full account of Nixon's extensive ties to the American Mafia from a veteran White House reporter. Unbeknownst to most people, even now, the election of 1968 placed the patron saint of the Mafia in the White House. In other words, Richard Nixon would go on to not only lead a criminal presidency, he would be totally indebted to our nation's top mobsters. By 1969, thanks in large part to his long-time campaign manager and political advisor Murray Chotiner, a lawyer who specialized in representing mobsters, Nixon had participated in secret criminal dealings for more than 20 years with sketchy figures such as Mickey Cohen, Mob financial guru Meyer Lansky, Teamsters union chief Jimmy Hoffa, and New Orleans Mafia boss Carlos Marcello. And with Chotiner as one of his key behind-the-scenes advisors in the White House, Nixon's ties to the Mafia didn't end there. *The Mafia's President* reveals a mind-blowing litany of favors Nixon exchanged with these sinister characters over decades, ranging from springing Jimmy Hoffa from prison to banning the federal government from using the terms Mafia and La Cosa Nostra. Drawing on newly released government tapes, documents, and other fresh information, *The Mafia's President* by Don Fulsom offers a carefully reported, deeply researched account of Richard Nixon's secret connections to America's top crime lords.

Out from the Shadow Maurice A. Butler, 2012-09 This is a story about a man who came from humble beginnings and ended up at the crest of power in Washington and Moscow. The story takes us into the depths of a racially segregated South to the desperate streets of New York City where criminals and crime fighters fought for control, and to an America reeling from the assassination of its political leaders. It is the story of the growth of America. It is the story of a man who kept scaling seemingly insurmountable

walls as he fought for justice This is the story of Charles LeRoy Gittens **The Case for Biblical Antichrist, Global Government, and the Man Chosen to Save America** Luis Munoz, 2024-11-04 The godfather of the global mafia Rockefeller indicated that he and other globalists are relying on the right major crisis and the nations will accept the New World Order Moreover the renowned globalist and Obama s advisor Strobe Talbott said In the next century 21st nations as we know it will be obsolete all states will recognize a single global authority National sovereignty wasn t such a great idea after all And James Paul Warburg said We shall have World Government whether or not we like it The only question is whether World Government will be achieved by consent or conquest Who are America s true enemies How are they operating inside America How are they plotting to destroy America s democracy and sovereignty Robert F Kennedy Jr on April 1 2024 told CNN I can make the argument that President Biden is a much worse threat to democracy than Trump Again Robert on April 2 2024 told Fox News President Biden has done something no other president has done which is to order media particularly social media Facebook Instagram to censor his political opponent President Biden is a much worse threat to democracy and the reason for that is President Biden is the first candidate in history the first president in history that has used the federal agencies to censor political speech to censor his opponent And he added that Biden is a genuine threat to our democracy Keep in mind that Robert K is a liberal Democrat Former president Barack Obama and his wife Michael are using their Netflix Predictive Programming movie Leave the World Behind to reveal how he and the global gang intend to put the US government under a global dictatorship Their ploy includes A simple three stage maneuver that could topple a country s government from within That country s government is no other but the US government which will be the real target for a coup d etat and civil war The first maneuver to destroy America is Isolation By that they mean disabling the sectors of communication and transportation making the target as deaf dumb and paralyzed as possible The second maneuver consists of creating a synchronized chaos to terrorize the American people with covert attacks and misinformation overwhelming their defense capabilities and leaving their weapon system vulnerable to extremists and their own military Without a clear enemy or motive people would start turning on each other If done successfully the third stage would happen on its own The Obama Netflix civil war movie describes the globalists plot to create the right major crisis that they have envisioned to establish a global government The plot seems to include widespread use of state terrorism to attack America from within with tens of thousands of radical Muslim terrorists that are already in America The goal is to topple the US government declare martial law change the Constitution and put the country under a global tyranny I am using this book to show that Obama and Biden have been working in league with the evil global mafia to cement America s transition from democracy to dictatorship Also this book shows the globalists plot for world government and the man with the call and vision to lead it Barack H Obama the biblical Antichrist and awaited Mahdi of Islam Therefore Americans have a critical choice to make choose Obama s radicalized democrat gang and you will destroy America s democracy and sovereignty Choose Donald Trump

notorious presidency in history *Legacy of Secrecy* Lamar Waldron, Thom Hartmann, 2009-03-01 This painstakingly researched follow up to *Ultimate Sacrifice* draws on explosive new material from the National Archives to piece together the puzzle of JFK's assassination. *Vanity Fair* A riveting take on the assassination itself and the devastating results of government secrets. *Publishers Weekly* John F. Kennedy's assassination launched a frantic search to find his killers. It also launched a flurry of covert actions by Lyndon Johnson, Robert F. Kennedy and other top officials to hide the fact that in November 1963 the United States was on the brink of invading Cuba as part of a JFK authorized coup. The coup plan's exposure could have led to a nuclear confrontation with Russia but the cover up prevented a full investigation into Kennedy's assassination, a legacy of secrecy that would impact American politics and foreign policy for the next forty five years. It also allowed two men who confessed their roles in JFK's murder to be involved in the assassination of Dr. Martin Luther King in 1968. Exclusive interviews and newly declassified files from the National Archives document in chilling detail how three mob bosses were able to prevent the truth from coming to light until now. *New York Magazine*, 1992-02-17 *New York Magazine* was born in 1968 after a run as an insert of the *New York Herald Tribune* and quickly made a place for itself as the trusted resource for readers across the country. With award winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea.
