Disasters in Australia and New Zealand Scott McKinnon, Margaret Cook, 2020-07-07 Disasters in Australia and New Zealand brings together a collection of essays on the history of disasters in both countries Leading experts provide a timely interrogation of long held assumptions about the impacts of bushfires floods cyclones and earthquakes exploring the blurred line between nature and culture asking what are the anthropogenic causes of natural disasters How have disasters been remembered or forgotten And how have societies over generations responded to or understood disaster As climate change escalates disaster risk in Australia New Zealand and around the world these questions have assumed greater urgency This unique collection poses a challenge to learn from past experiences and to implement behavioural and policy change Rich in oral history and archival research Disasters in Australia and New Zealand offers practical and illuminating insights that will appeal to historians and disaster scholars across multiple disciplines

Rippling: Meta-Level Guidance for Mathematical Reasoning Alan Bundy, 2005-06-30 Rippling is a radically new technique for the automation of mathematical reasoning It is widely applicable whenever a goal is to be proved from one or more syntactically similar givens It was originally developed for inductive proofs where the goal was the induction conclusion and the givens were the induction hypotheses It has proved to be applicable to a much wider class of tasks from summing series via analysis to general equational reasoning The application to induction has especially important practical implications in the building of dependable IT systems and provides solutions to issues such as the problem of combinatorial explosion Rippling is the first of many new search control techniques based on formula annotation some additional annotated reasoning techniques are also described here This systematic and comprehensive introduction to rippling and to the wider subject of automated inductive theorem proving will be welcomed by researchers and graduate students alike

Jasmine, Rose Petals and Murder Sam Christer, 2024-05-16 Evil has a unique scent Dare you follow it As a winter storm rages over the coastal city of Brighton torrential rain exposes a shallow grave up on the cliffs while a teenager goes rogue with a shotgun in a supermarket and a violent robbery is staged in an upmarket boutique The resulting body count stretches the resources of the Brighton police They badly need leads but can they trust the testimony of Ciara O Cleary the sole witness to the robbery who saw nothing but seems to be offering vital clues The slight

young Irishwoman is a supersmeller buffeted and often overpowered by all the odours that surround her her special gift could also be considered a curse Is it even real Is she an innocent witness or a key operator in a carefully planned crime The investigating detectives are divided but maverick Sergeant Kate Darroch decides to risk her career by following the scent of Ciara s evidence which leads her deep into Brighton s criminal underworld I really hope that the book is the first part of the series Bookbesties His ability to describe settings and characters with vivid imagery is akin to a painter meticulously adding layers of color to the canvas The history of the world An exciting book and I can t wait to read even more from this author Gullbergs Bookshelf Intriguing Publishers Weekly Fiercely intelligent and curious take a walk on the perilous side and enjoy Steve Berry *Are You Affiliated?* Kev Fletcher,2010-11-23 The humourous history of entertaining on the North of England Workingmen s club circuit The first rung on the ladder of dreams and aspirations and it sure as hell isn t Vegas or Madison Square Garden And if you have never visited a Workingmen s club before I m sure the next 170 plus pages are going to be bloody confusing Realistically speaking it is the alternative to stretch limos drugs and lines of enthusiastic groupies This is the real world More like a knackered old transit van a couple of pints of non fizzy lager and a kiss off an old slapper who has slipped off the ball and chain out for a night without the old fella **The PD Chronicles** Jack James,2001-05-24 Lies intrigue illicit affairs kidnapping snitches drug use Sound like the stuff of a daytime TV soap opera The soap dishers should be so creative Those happen to be some of the elements in The PD Chronicles a behind the scenes account of what goes on at a radio station in Anytown U S A as told by Jack James a living breathing working program director For obvious reasons this current major market PD uses a pseudonym though one would have to think that sooner or later a savvy boss would realize the characters populating these chronicles were his very own employees The matter of fact often cynical and mostly hilarious deadpan diary entries give readers a glimpse of what really goes on behind the curtain of an everyday radio station This PD takes you into the hallways the general manager s office the sales department the control room and on air studio the lobby and the bathroom how Ally McBeal of the radio stations where he s worked It s WKRP only the real deal Among other entries we learn that the promotions director tried conducting a hate campaign against the new morning man including posting nasty comments to the station s Web site bulletin board And talked the night deejay into disparaging his embattled A M counterpart Her cover was cracked though and needless to say she s out Then there s the case of the kidnapped T shirts They were lifted by a competitor while one young promotions helper was in the process of giving them away before a stadium concert Turns out the thief hadn t realized he was stealing from a beefy former University of Minnesota football player A possible clue to the PD s whereabouts But we digress In front of a stadium full of concertgoers the jock tackles the hapless absconder giving himself legend status in the process Also in The PD Chronicles we get the I can t make it for my shift job excuse du jour Among them a late night jock who claimed he knocked out his front teeth in a bathroom fall Those sibilant sounds just don t cut it on the air Excuse accepted Until we learn the real reason for the dental disturbance was a drug deal

gone bad and that our troubled deejay has had a problem with amphetamine type substances since his teens Turned over to the police by his own grandmother the young addict was headed for a rehab center and a job somewhere else This poor PD seems to have more employee turnover than the Yankees under George Steinbrenner When this PD is discovered and loses his own job he ll have a bright future as a writer Maybe then his relatives who keep asking When are you gonna get a real job will be proud of him
