[Healing through the Dark Emotions](#) Miriam Greenspan, 2004-05-11 Nautilus Book Award Gold Winner. A psychotherapist offers crucial guidance on how to alter fundamentally our fearful relationship to deep feelings from depression and anxiety to grief and fear. Los Angeles Times: We are all touched at some point by the dark emotions of grief, fear, or despair. In an age of global threat, these emotions have become widespread and overwhelming. While conventional wisdom warns us of the harmful effects of negative emotions, this revolutionary book offers a more hopeful view: there is a redemptive power in our worst feelings. Seasoned psychotherapist Miriam Greenspan argues that it's the avoidance and denial of the dark emotions that results in the escalating psychological disorders of our time: depression, anxiety, addiction, psychic numbing, and irrational violence. And she shows us how to trust the wisdom of the dark emotions to guide, heal, and transform our lives and our world. Drawing on inspiring stories from her psychotherapy practice and personal life, and including a complete set of emotional exercises, Greenspan teaches the art of emotional alchemy by which grief turns to gratitude, fear opens the door to joy, and despair becomes the ground of a more resilient faith in life. This remarkable book has taught me a whole new way of thinking. Harold Kushner, author of *When Bad Things Happen to Good People*. A beautiful piece of work destined to become a perennial classic. Martha Beck, author of *The Joy Diet*. *Soul to Sisterhood* Jamie Day, 2021-12-09. *Soul to Sisterhood* is an invitation for readers to fall in love or deeper in love with themselves, their lives, and their relationships. With 36 autobiographic stories, 108 universal themes for self-reflection, and 180 experiential activities, this book offers hundreds of transformational opportunities that can be done individually or shared with friends and family. Readers can step into their cyclical Lunar Wisdom, get to know themselves better by connecting to their Chakras, and raise the vibe of their relationships with playful practices, all while remembering the timeless yet potent wisdom that they are not alone. The women featured in these pages hold up the mirror for readers to reclaim and reignite their passions, purpose, and desires. The engaging Sacred Play Suggestions open the doors of replenishment and rejuvenation. The Themes support readers as they release unwanted patterns and old belief systems. This book is a must-have for women interested in recreating and reviving their connection to empowerment, oneness, and their Higher Self. *Soul to Sisterhood* is about extraordinary women triumphing over extraordinary things. *Soul to Sisterhood* is you. **The Book of Spells** Jamie
