What Billions Can't Buy Diana Fyre, L.A. Witt, 2025-02-12 12 Billionaires An island in the middle of nowhere And a brutal game with no escape The invitation is nothing unusual A week of being wined and dined at an exclusive Caribbean resort in exchange for attending a few meetings about investing in a promising startup Why not From the moment weapons magnate Geri Cole steps off her private jet though something isn't right It's possible she imagined that truck with the gun turret And maybe those weren't really body bags out on the loading dock But she's not imagining the complete lack of cell service not even the powerful signal booster her company created for military use can connect to anything Billionaire playboy heir Quinn Hayworth has a bad feeling about it too The vibe is strange and no one knows a thing about the company that's supposed to be wooing them

When their host finally shows his cards Quinn and Geri's suspicions are correct but their situation is much worse than they ever could have imagined Now they're two of twelve unwitting contestants trapped on a remote island forced to play by the rules of a sadist Subjected to cruel challenges and barbaric punishments they're powerless to use their billions or their influence to escape There's no way out except to win the game Because on this reality show no loser goes home alive
