

NHTE I Testing for the LPN to RN Completion Program Academic Year 2020-2021 (Updated 12/1/2020)

Students applying for the LPN to RN Completion Option at NHTE + Concordia Community College are required to complete the National's exam for Nursing and NC Nursing Certification Challenge Exam—Module 1. Students are all required to take the NCLEX-RN. This exam will be computer-based and proctored remotely by the NCLEX.

Students are responsible for reviewing the NCLEX Student Guide for the Plan, Spring 2021 and following the directions to create their NCLEX Student Account.

Students will receive a minimum absolute score of 75 or higher on the computer-based assessment for the program.

The NCLEX I includes content related to nursing care in most basic physiological and psychosocial needs. NCLEX I questions are written in the framework of the nursing process. This reflects the current approach for providing care to clients. For purposes of the NCLEX I, the steps of the nursing process are defined as follows:

1. **Assessing** – includes collecting physical, emotional and cultural data and interpreting signs, symptoms, and behaviors.
2. **Assessing** – includes interpreting data, identifying client needs and making nursing diagnoses.
3. **Planning** – includes setting goals, selecting outcomes for care and identifying correct techniques for giving care.
4. **Implementing** – includes responding appropriately to client needs for nursing care and using effective communication when giving interventions and/or teaching.
5. **Evaluating** – includes recognizing intended and unintended effects of measures and treatments, determining evidence of client's compliance with treatment plans and determining evidence of clinical response to treatment and treatments.

How to Register:

This exam will be administered on-line by the NCLEX using ProctorU, an Internet-based remote proctoring software. Examinees will be required to create a new NCLEX Student Account and register for their NCLEX NCLEX-Professional Exam with the NCLEX directly.

The exam can be taken up to three (3) times per year. The examinee must wait a minimum of six (6) weeks between exam attempts. Examinees may select their exam date. However, it is the responsibility of the student to schedule their exam prior to the application deadline and following their center guidelines. Please note that test centers will be full for one (1) year only.

Examinees will use NHTE's unique [LINK](#) link to create your **NCLEX Student Account**; this link is included on last page of this document. Your [LINK](#) and the actual link, as deliverer-screen will not be accepted by NHTE, which may result in students having to retake and repay for the exam.
