McDevitt,2004-04-16 As Britain's great power status came to be increasingly challenged in the decades before the First World War one by product of the resultant uncertainty was the weakening of the Victorian middle class consensus of what constituted ideal manhood Britain's empire was not only the source of wealth and power but it simultaneously provided alternative models of masculinity and nationhood Consequently the empire and the commonwealth played an important role in defining imperial gender relations in both Britain and in the colonies and dominions *May the Best Man Win* investigates the continual re assessment and reassertion of various masculine ideals associated with sport in the British empire between 1880 and 1935      International Handbook of Cross-Cultural Counseling Lawrence H. Gerstein,2009-07-29 The Handbook of International Counseling is an effort to bring together the current practices values attitudes and beliefs about counseling from countries around the globe The editors have selected leading experts in the field of counseling in a wide and culturally representative group of countries throughout the world This book will be the first volume that undertakes such an ambitious goal in the field of counseling      **Sin and Confession in Colonial Peru** Regina Harrison,2014-06-01 A central tenet of Catholic religious practice confession relies upon the use of language between the penitent and his or her confessor In the sixteenth and seventeenth centuries as Spain colonized the Quechua speaking Andean world the communication of religious beliefs and practices especially the practice of confession to the native population became a primary concern and as a result expansive bodies of Spanish ecclesiastic literature were translated into Quechua In this fascinating study of the semantic changes evident in translations of Catholic catechisms sermons and manuals Regina Harrison demonstrates how the translated texts often retained traces of ancient Andean modes of thought despite the didactic lessons they contained In *Sin and Confession in Colonial Peru* Harrison draws directly from

confession manuals to demonstrate how sin was newly defined in Quechua lexemes how the role of women was circumscribed to fit Old World patterns and how new monetized perspectives on labor and trade were taught to the subjugated indigenous peoples of the Andes by means of the Ten Commandments Although outwardly confession appears to be an instrument of oppression the reformer Bartolom de Las Casas influenced priests working in the Andes through their agency confessional practice ultimately became a political weapon to compel Spanish restitution of Incan lands and wealth Bringing together an unprecedented study and translation of Quechua religious texts with an expansive history of Andean and Spanish transculturation Harrison uses the lens of confession to understand the vast and telling ways in which language changed at the intersection of culture and religion [Handbook of Research on Cultural Tourism and Sustainability](#) Ribeiro de Almeida, Claudia, Martins, Joao Carlos, Gonçalves, Alexandra R., Quinteiro, Silvia, Gasparini, Maria Laura, 2022-04-22 The process of globalization based on major forms of entertainment consumption has promoted the interest of enlarged social actors toward cultural experiencing Disseminated by social media new forms of information and knowledge about exotic tourism destinations have endorsed an increasing interest in forms of cultural tourism This cultural tourism turnout results from a significant change in the traveler s demands and behaviors and has led to a new and renovated interest in cultural heritage that must be studied further The Handbook of Research on Cultural Tourism and Sustainability explores theoretical concepts related to cultural tourism and cultural routes and provides original viewpoints and empirical research with case studies and best practices for the future of cultural tourism Covering a range of topics such as creative tourism and sustainable tourism this major reference work is ideal for academicians practitioners professionals policymakers government officials instructors and students *Embodied Dependencies and Freedoms* Julia A.B. Hegewald, 2023-03-20 Have you ever thought about dependencies in Asian art and architecture Most people would probably assume that the arts are free and that creativity and ingenuity function outside of such reliances However the 13 chapters provided by specialists in the fields of Asian art and architecture in this volume show that those active in the visual arts and the built environment operate in an area of strict relations of often extreme dependences Material artefacts and edifices are dependent on the climate in which they have been created on the availability of resources for their production on social and religious traditions which may be oral or written down and on donors patrons and the art market Furthermore gender and labour dependencies play a role in the creation of the arts as well Despite these strong and in most instances asymmetrical dependencies artists have at all times found freedoms in expressing their own imagination vision and originality This shows that dependencies and freedoms are not necessarily strictly separated binary opposites but that at least in the area of the history of art and architecture in Asia the two are interconnected in what are often complex and multifaceted layers [The Fifth Decade](#) Deborah R. Wagner, Jerilynn C. Prior, 2012-05-01 An indispensable and insightful roadmap for women entering the shifting landscape of life in the middle decades With balanced accessible and humorous discussions of female physiology and psychology as well as

current treatment options author and psychologist Deborah R Wagner PhD provides an insightful and inspiring forum to help her readers get comfortable with the volatile powerful and colorful decades of life in the forties and fifties With added advice for families including a segment for partners and children as well as candid discussions on the impact of unanticipated but interconnected conditions such as anxiety depression changing body image loss of empathy nurturing and empty nesting Dr Wagner delivers a potent blend of science and comfort in a voice that will resonate with women of all ages The Fifth Decade provides an essential resource to women and their families experiencing the shifts that come with the midlife years
